Everything you need to teach grammar in the primary classroom. What is the subjunctive mood? And when do you use a semi-colon? Are these questions that you, as a teacher, are afraid to ask? Cue this book! Written by two experienced teachers, The Grammar Book provides everything you need to teach grammar at primary level. Covering what you need to know as well as practical ideas to enliven your teaching, this book will make grammar fun and engaging – for both the pupils and for you too! Written in Zoe and Timothy Paramour's funny, frank and reassuring style, this definitive guide is all about the importance of teaching grammar as a tool for writing, not as an 'extra' and certainly not as a boring lesson. Instead, the ideas presented are linked to a range of National Curriculum units, with original short texts through which the teaching of grammar is used to support the delivery of the wider English curriculum and prepare children for Spelling, Punctuation and Grammar (SPaG) assessments. All teaching resources can also be downloaded from the companion website. Each chapter covers a different element of grammar and provides you with everything you need to know as well as teaching ideas, cross-curricular links and resources, making The Grammar Book a must-have resource for teaching grammar effectively at primary level.

Learning the ins and outs of a new language can be a long and tedious process - especially when it comes to grammar. Yet good grammar is an essential aspect of fluency - one you cannot fake. With The Everything Spanish Grammar Book as your guide, you'll master the grammar essentials of this beautiful language in no time, thanks to expert step-by-step instruction. Invaluable tools include: Verb tables for fast sentence structuring Chapter-by-chapter linguistic breakdowns for quick reference Reinforcing exercises at the end of each section Usage and pronunciation tips for speakers of all levels English-Spanish and Spanish-English dictionaries to give you the right word Complete review of verb construction Vocabulary-building methods Speak like a native with The Everything Spanish Grammar Book - your key to understanding the grammar, syntax, and sentence structure of the Spanish language.

This book was written for non-native speakers of English and those learning English as a second or foreign language. This book is different from standard grammar books because it looks at grammar points that are easily and often confused either because of translation issues or simple misunderstandings. The points I've included here come from many years of experience helping people learn English and analyzing the most common errors that are made.
