Valiosos consejos para entender la ansiedad e identificar sus efectos.

When life is falling apart, God will carry you through. It has been said that everyone is either entering, in the midst of, or just exiting a trial. Popular author and pastor Max Lucado has discovered that at any given point, almost everyone is dealing with something. Whether the loss of a loved one, marriage issues, illness, job loss, or the stress of everyday life, people everywhere need the assurance that God will carry them through. Through decades of betrayal, abandonment, and false accusations, Joseph never gave up on God or His purpose. And Joseph continually trusted the sovereignty of God as Master-weaver of his life. InGod Will Carry You Through, Max invites readers to do the same—to let God’s message through Joseph guide His children through tough times today. Laced throughout Joseph’s story are personal testimonies by everyday people who discovered for themselves that “God had carried them through” as well as quotes and Scripture passages for meditation. This book is rich in hope for finding peace and reassurance through whatever challenge you face.

Life has a way of taking the life out of us. Often we go through situations where the challenge seems so much greater than our strength. During such times, we can find hope and inspiration from the story of Joshua. God had called Joshua to take over from Moses and lead the Israelites into a paradigm shift from wilderness wandering to promise-believing. In Canaan, they would not fight for victory but fight from victory. God had a Promised Land in store for them, but they had to grasp that reality, change their mindsets, and take action to receive it. The same is true for us today. God is telling us that our best days—our “glory days”—are still ahead of us. We only need to grasp that truth and live in faith to realize this promise. This six-session video Bible study (DVD/digital video sold separately) includes leader helps, discussion questions, conversation starters, and between-session activities to enhance your understanding and application of Max’s teaching. Sessions include: These Days Are Your Glory Days Inherit Your Inheritance Walk Circles Around Jericho Pray Audacious Prayers No Falling Words God Fights for You Designed for use with Glory Days Video Study (sold separately).

Astrophysicist George Smoot spent decades pursuing the origin of the cosmos, "the holy grail of science," a relentless hunt that led him from the rain forests of Brazil to the frozen wastes of Antarctica. In his search he struggled against time, the elements, and the forces of ignorance and bureaucratic insanity.

Finally, after years of research, Smoot and his dedicated team of Berkeley researchers succeeded in proving the unprovable—uncovering, inarguably and for all time, the secrets of the creation of the universe. Wrinkles in Time describes this startling discovery that would usher in a new scientific age—and win Smoot the Nobel Prize in Physics.

The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life. Is someone else's problem your problem? If, like so many others, you've lost sight of your own life in the drama of tending to someone else's, you may be codependent—and you may find yourself in this book--Codependent No More.The healing touchstone of millions, this modern classic by one of America's best-loved and most inspirational authors holds the key to understanding codependency and to unlocking its stultifying hold on your life.With instructive life stories, personal reflections, exercises, and self-tests, Codependent No More is a simple, straightforward, readable map of the perplexing world of codependency--charting the path to freedom and a lifetime of healing, hope, and happiness.Melody Beattie is the author of Beyond Codependency, The Language of Letting Go, Stop Being Mean to Yourself, The Codependent No More Workbook and Playing It by Heart.

You fear you won't make it through. We all do. We fear that the depression will never lift, the yelling will never stop, the pain will never leave. In the pits, surrounded by steep walls and aching reminders, we wonder: Will this gray sky ever brighten? This load ever lighten? In this six-session small group Bible study, pastor and New York Times best-selling author, Max Lucado offers refreshing assurance. Max reminds participants God doesn't promise that getting through trials will be quick or painless. It wasn't for Joseph—tossed in a pit by his brothers, sold into slavery, wrongfully imprisoned, forgotten and dismissed. But his Old Testament story is in the Bible for this reason: to teach us to trust God to trump evil. With the compassion of a pastor, the heart of a storyteller, and the joy of one who has seen what God can do, Max explores the story of Joseph and the truth of Genesis 50:20. What Satan intends for evil, God redeems for good. The six sessions include: You'll Get Through This Down and Out, But Never Alone Stupid Won't Fix Stupid Is God Good When Life Isn't Now, About Those Family Scandals and Scoundrels God Can Use This for Good Designed for use with the You'll Get Through This DVD.

Scripture says that offenses will happen. People will let us down and we will let others down, as well. Forgiveness is left up to us to pray about and then practice. Far from minimizing the hurt of the offense, readers are called to understand that offering forgiveness and letting go of bitterness is the only way to walk in faithfulness. Drawing on biblical teaching of our call to forgive, Nancy shows the reader that forgiveness is a choice— and the only pathway to true freedom.
