Marguerite Aboutet: Aya de Yopougon (African Comic Books) | Book ReviewAya Life In Yop City

Aya is loosely based upon Marguerite Aboutet's youth in Yop City. It is the story of the studious and clear-sighted nineteen-year-old Aya, her easygoing friends Adjoua and Bintou, and their meddling relatives and neighbors. It's a wryly funny, breezy account of the simple pleasures and private troubles of everyday life in Yop City.

Aya: Life in Yop City: Aboutet, Marguerite, Oubrerie ...

Aya: Life in Yop City is a pseudo-memoir comic book taking place in Ivory Coast in 1978, basically right after they gained independence from France and had a booming (albeit briefly) economy. While it's loosely based on Marguerite Aboutet's youth in Yop City, it follows the studious and kind Aya and her easygoing friends Adjoua and Bintou and all their friends, relatives, and neighbors.

It's a wryly funny, breezy account of the simple pleasures and private troubles of everyday life in Yop City.

Aya: Life in Yop City by Marguerite Aboutet, Clément ...

Aya of Yop City is a series of six bande dessinée comics written by Marguerite Aboutet and drawn by Clément Oubrerie. The original French albums were published by Gallimard between 2005 and 2010. All six volumes have been translated into English by Drawn & Quarterly. Although not entirely autobiographical, the story is based on the author's life in Côte d'Ivoire. Aya of Yop City is the second of three books in the Aboutet's Aya series, each based on the same characters. All three of the ...

*Aya of Yop City* will screen as part of FILMS ON THE GREEN, presented in partnership with the Cultural Services of the French Embassy and the Consulate General of Côte d'Ivoire in New York. Free and open to the public! About the Film. Aya, a 19 year old girl lives with her parents in Yop City, a neighborhood in Abidjan.

THE DRAMATIC CONCLUSION TO THE AYA SERIES *Aya: Love in Yop City* comprises the final three chapters of the *Aya* story, episodes never before seen in English. *Aya* is a lighthearted story about life in the Ivory Coast during the 1970s, a particularly thriving and wealthy time in the country's history. While the stories found in *Aya: Love in Yop City* maintain their familiar tone, quick pace, and joyfulness, we see *Aya* and her friends beginning to make serious decisions about their future. When a professor tries to take advantage of *Aya*, her plans to become a doctor are seriously shaken, and she vows to take revenge on the lecherous man. With a little help from the tight-knit community of Yopougon though, *Aya* comes through these trials stronger than ever. This second volume of the complete *Aya* includes unique appendices--recipes, guides to understanding Ivorian slang, street sketches, and concluding remarks from Marguerite Abouet explaining history and social milieu. Inspired by Abouet's childhood, the series has received praise for offering relief from the disaster-struck focus of most stories set in Africa. *Aya* is the winner of the Best First Album Award at the Angoulême International Comics Festival; was nominated for the YALSA's Great Graphic Novels list; and was included on "best of" lists from The Washington Post, Booklist, Publishers Weekly, and School Library Journal.

*Aya* has captured the hearts of North American readers of all ages for the rare portrait it paints of a vibrant, happy, bourgeois Ivory Coast in the 1970s, based upon Marguerite Abouet's youth in Yop City. Not only is *Aya* complemented with Clément Oubrerie's gorgeous artwork, but the volumes also offer a slice-of-life peek into African culture: complete with recipes, glossaries, and wardrobe instructions for turning one's pagne (brightly colored fabric) into a skirt, head wrap, or baby carrier. Engaging and fun, the universal stories in *Aya* provide a much-needed context for today's heartbreaking news stories. *Aya* is the winner of the Best First Album award at the Angoulême International Comics Festival, the Children's Africana Book Award, and the Glyph Award; was nominated for the Quill Award, the YALSA's Great Graphic Novels list, and the Eisner Award; and was included on "best of" lists in The Washington Post, Booklist, Publishers Weekly, and School Library Journal.

For the residents of Yopougon, everyday life is good. It is the early 1970s, a golden time - work is plentiful, hospitals are clean and well equipped, and school is obligatory. The Ivory Coast is as an island of relative wealth and stability in West Africa. For the teenagers of the town, though, worries are plentiful, and life in Yop City is far from simple. Aya tells the story of its nineteen-year-old heroine, the clear-sighted and bookish Aya, and her carefree and fun-loving friends Adjoua and Bintou. Navigating meddling relatives and neighbours, the girls spend a last summer of their childhood on the sun-warmed streets of Yop City - sneaking out for dancing at open-air bars, strong solibra beer, chicken in peanut sauce and avoiding at all costs the scandal pages of the Calamity Morning.... Aya is a captivating, colourful and hugely entertaining portrayal of an Africa we rarely see, spirited and resilient, and full of the sounds, sights and smells of a prosperous town and its varied inhabitants.

Ivory Coast, 1978. It's a golden time, and the nation, too—an oasis of affluence and stability in West Africa—seems fueled by something wondrous. Aya is loosely based upon Marguerite Abouet's youth in Yop City. It is the story of the studious and clear-sighted 19-year old Aya, her easy-going friends Adjoua and Bintou, and their meddling relatives and neighbors. It's wryly funny, breezy account of the simple pleasures and private troubles of everyday life in Yop City. Clément Oubrerie's warm colors and energetic, playful line connect expressively with Marguerite Abouet's vibrant writing. This reworked edition offers readers the chance to immerse themselves in the lively world of Aya and her friends, bringing together the first three volumes of the series in Book One. Drawn & Quarterly has release volumes four through six of the original French series (as yet unpublished in English) in Aya: Love in Yop City. Aya is the winner of the Best First Album award at the Angouleme International Comics Festival, the Children's Africana Book Award, and the Glyph Award; was nominated for the Quill Award, the YALSA's Great Graphic Novels list, and the Eisner Award; and was included on "best of" lists from The Washington Post, Booklist, Publishers Weekly, and School Library Journal. Aya: Life in Yop City has been translated from the French by Helge Dascher. Dascher has been translating graphic novels from French and German to English for over twenty years. A contributor to Drawn & Quarterly since the early days, her translations include acclaimed titles such as Hostage by Guy Delisle and Beautiful Darkness by Fabien Vehlmann and Kerascoët. With a background in art history and history, she also translates books and exhibitions for museums in North America and Europe. She lives in Montreal.

Akissi: Tales of Mischief brings together all the hilarious and heartfelt Akissi comics by Marguerite Abouet, the award winning author of Aya of Yop City. Poor Akissi! The neighborhood cats are trying to steal her fish, her little monkey Boubou almost ends up in a frying pan and she's nothing but a pest to her older brother Fofana... But Akissi is a true adventurer, full of silliness and mischief and nothing will scare her for long!

Abandoned by her mother and sent to live with relatives in Dakar, the author tells of being educated in the French colonial school system, where she comes gradually to feel alienated from her family and Muslim upbringing, growing enamored with the West. Academic success gives her the opportunity to study in Belgium, which she looks upon as a "promised land." There she is objectified as an exotic creature, however, and she descends into promiscuity, alcohol and drug abuse, and, eventually, prostitution. (It was out of concern on her editor's part about her candor that the author used the pseudonym Ken Bugul, the Wolof phrase for "the person no one wants.") Her return to Senegal, which concludes the book, presents her with a past she cannot reenter, a painful but necessary realization as she begins to create a new life there.

Deogratias is just a teenager when he experiences genocide in Rwanda with the tale unfolding only before and after the massacre revealing the madness and horror of one young boy and his country.

After a terrifying creature emerges from the swamp and takes her white playmate, Lee Wagstaff's father is accused of the kidnapping and Lee must enlist the help of a blues-singing swamp monster named Bayou to clear his name.

The cult classic zombie graphic novel: now a Netflix original series! You wake up in the rubble and see a ragged, desperate one-armed man greeting you. He takes you underground to a safe space, feeds you, offers you a place to sleep, and then announces that he'll take the first watch. It's not long before the peril of the jagged landscape has located you and your new-found protector and is scratching at the door. What transpires is a moment-to-moment struggle for survival-The Road meets Dawn of the Dead. Daybreak is seen through the eyes of a silent observer as he runs from the shadows of the imminent zombie threat. Brian Ralph slowly builds the tension of the zombies on the periphery, letting the threat-rather than the actual carnage-be the driving force. The post-apocalyptic backdrop features tangles of rocks, lumber, I beams, and overturned cars that are characters in and of themselves. Drawing inspiration from horror movies, television, and first-person shooter video games, Daybreak departs from zombie genre in both content and format, achieving a living-dead masterwork of literary proportions. When released in 2011, Daybreak was a critical success, a YALSA Great Graphic Novel for Teens, and a TLA Maverick Graphic Novel. Now for the first time, Daybreak is being adapted into a Netflix Original series, executive produced by Aron Eli Coleite (Star Trek: Discovery, Heroes), Brad Peyton (Frontier, Rampage), and Jeff Fierson (Frontier, Rampage), starring Matthew Broderick. Read the book before it hits the small screen this fall!

A graphic biography of the pioneering, free-spirited "Mother of Modern Dance" In 1899, performing in the drawing rooms of London's elite, Isadora Duncan (1877-1927) was already laying the foundations for modern dance. Her performances were visceral, free-flowing, and expressive; she danced barefoot. The 22-year-old from California was shattering the conventions of traditional ballet and, in doing so, enchanting high society. In Isadora, Julie Birmant and Clément Oubrerie capture the astonishing life and scandalous times of the so-called "Mother of Modern Dance" from her arrival in Europe to her tragic death in 1927. This extraordinary graphic novel spans Duncan's meetings with Auguste Rodin and Loie Fuller, her dazzling on-stage career, and the development of a style of dance--inspired by natural forms and Greek sculpture--that would become her enduring legacy.
