Police officer Tess Fuller has her hands full trying to maintain order in a poorly-resourced small mountain town overrun by the beautiful, arrogant and lawless Bycraft family. And nobody in town has suffered at their hands as much as the Fuller family. But what will her new sergeant, Finn Maguire, a serious by-the-books city cop, think of her renegade policing style? And will they be able to work together to save Tess' life when her feud with the Bycrafts escalates dangerously, while also trying to solve the intersecting mysteries of possible land fraud, an abandoned suitcase of money and a peeping tom with a preference for older women?

take fear a lot more seriously now. I finally became Dr. Carrie Ames just eight months ago. Then I was attacked in the hospital morgue by a vampire. Just my luck. So now I'm a vampire, and it turns out I have a blood tie to the monster who sired me. The tie works like an invisible leash and I'm bound to him no matter what I do. And of course he's one of the most evil vampires on earth. With my sire hell-bent on turning me into a soulless killer and his sworn enemy set to exterminate me, things couldn't get much worse — except I'm attracted to them both. Drinking blood, living as an immortal demon and being a pawn between two warring vampire factions isn't exactly how I'd imagined my future. But as my father used to say, the only way to conquer fear is to face it. So that's what I'll do. Fangs bared.

For David Adams Richards, blood ties is not merely a figure of speech, but an assertion of the reality of life in small-town Canada, where blood ties people in countless, almost unknowable ways to friends, community, and landscape. The lives of three generations of MacDurmots form a Miramichi Valley family portrait that is beguiling, insightful, witty, and tender. Employing dazzling angles of vision and fast-shifting perspectives, Richards captures the inner lives of his characters with sympathy and understanding. From the Paperback edition.

When Theo discovers the father he thought died when he was a baby is still alive, he's determined to find him. The clues lead him to lonely Rachel, who has problems of her own, including parents who compare her unfavourably to her long-dead sister. But when Rachel and Theo are attacked by men from RAGE - the Righteous Army against Genetic Engineering - they are rescued by strangers and taken to meet a mysterious figure who leads them to make

startling discoveries about their identities, which will affect their past, present, and future in dramatic and life-altering ways...

CAN SHE FIND A KILLER . . . BEFORE HE FINDS HER? When Kade Logan said goodbye to his estranged wife eight years ago, he never thought it would be the last time he saw her alive. Now her car has been hauled out of a nearby lake and Kade is determined to track down the man who murdered her. Enter Eleanor Bowman, a talented private investigator who's about to stir up a hornet's nest on his Colorado ranch. With old scandals still buzzing about his late wife's many affairs and new violence erupting, Kade is faced with the discovery of another beautiful woman's body. Are the two killings linked? Who is the man who seduced, then murdered both victims? Ellie believes they are dangerously close to the truth. From corporate Denver high-rises to posh Vail mansions, Kade and Ellie sense the killer is closing in again, and this time Ellie is the target. Kade must risk everything to save the woman he's coming to love—before she becomes the next one to die . . .

Blood Ties is a fantasy novel that explores a world on the brink of unimaginable chaos. It begins when Nasir of the Wild Clan desecrates nature by drinking unlawful blood from a victim and starts hunting the ancient Vampyr that infected him whilst Vampyr houses battle for blood domination. As a result, Captain Ben Lark of the U.S. government's Mind-Enhanced Trackers monitoring C-DOTHS (Conscience-Driven Other-Than-Human Species) gets compelled to prevent a destructive war on American soil. After forming an alliance with the Wild Clan, their rogue Bloodhunter Cainis Caldera becomes his only option. Soon enough, Lark faces Prisca

Devensher, a forsaken Vampyr safeguarding Nasir, until he realizes his destiny. She sees him as the preordained Dejal and will usher him to his throne to dominate all species. Can Lark prevent disaster from happening or is he doomed to fail? Read the book to find out. Filled with horror elements and drama, Blood Ties will keep readers on the edge of their imagination.

Warning - this book contains some swearing and has a cliffhanger ending! Blood doesn't just make her who she is...it also makes her what she is. Like being a sixteen-year-old vampire isn't hard enough, Tessa's throwback human genes make her an outcast among her relatives. But try as she might, she can't get a handle on the vampire lifestyle and all the...blood. Turning her back on the vamp world, she embraces the human teenage lifestyle--high school, peer pressure and finding a boyfriend. Jared manages to stir something in her blood. He's smart and fun and oh, so cute. But Tessa's dream of having the perfect boyfriend turns into a nightmare when vampires attack the movie theatre and kidnap her date. Once again, Tessa finds herself torn between the human world and the vampire one. Will blood own out? Can she make peace with who she is as well as what?

A thousand years ago, the Eleven Domains were invaded and the original inhabitants forced on the road as Travelers, belonging nowhere, welcomed by no-one. Now the Domains are governed with an iron fist by the Warlords, but there are wilder elements to the landscape which cannot be controlled and which may prove their undoing. Some are spirits of place, of water and air and fire and earth. Some are greater than these. And some are human. A ghost has invaded his home, beginning a dangerous nightly game in which Henry is allowed to ask a single question. If the answer is no, an innocent and unsuspecting person is killed. Henry soon comes to the horrifying realization that this wraith—and the others who join it—is using him to wreak vengeance on the people it holds responsible for its death. Henry can't find the source of these murders on his own, so he calls on the one person he trusts to help—private investigator Vicki Nelson, with the small hope that they can stop these otherworldly forces, without losing their lives. Also includes a brand-new short story featuring Vicki and Henry!

Lucy was just a child. Now on the brink of adulthood, Lucy experiences another loss when her friend Cheri disappears and is then found murdered, her body placed on display for all to see. Lucy's family has deep roots in the Ozarks, part of a community that is fiercely protective of its own. Yet despite her close ties to the land, and despite her family's influence, Lucy is darkly beautiful as her mother was—is always thought of by those around her as her mother's daughter. When Cheri disappears, Lucy is haunted by the two lost girls—the mother she never knew and the friend she couldn't save—and sets out with the help of a local boy, Daniel, to uncover the mystery behind Cheri's death. What Lucy discovers is a secret that pervades the secluded Missouri hills, and beyond that horrific revelation is a more personal one concerning what happened to her mother more than a decade earlier. *The Weight of Blood* is an urgent look at the dark side of a bucolic landscape beyond the arm of the law, where a person can easily disappear without a trace. Laura McHugh proves herself a masterly storyteller who has created a harsh and tangled terrain as alive and unforgettable as the characters who inhabit it. Her mesmerizing debut is a compelling exploration of the meaning of family: the sacrifices we make, the secrets we keep, and the lengths to which we will go to protect the ones we love. Praise for *The Weight of Blood* — "[An] expertly crafted thriller." *Entertainment Weekly*, "The Must List" — "Haunting . . . [a] riveting debut." *Los Angeles Times* — "Laura McHugh's atmospheric debut . . . conjures a menacingly beautiful Ozark setting and a nest of poisonous family secrets reminiscent of Daniel Woodrell's *Winter's Bone*." *Vogue* — "Fantastic . . . a mile-a-minute thriller." *The Dallas Morning News*
