How does good writing stand out? If its purpose is to convey facts, findings, or instructions, it need be read only once for its content to be clear. If its purpose is to entertain or to provoke thought, it makes readers want to come back for more. Revised and updated, this guide covers four essential aspects of good writing: Individual words: spelling variations, hyphenation, frequently confused homonyms, frequently misused words and phrases, irregular plurals and negatives, and uses of capitalization and type style to add special meanings Punctuation: the role of each mark in achieving clarity and affecting tone, and demonstration of how misuses can lead to ambiguity Syntax and structure: agreement of subject and verb, parallel construction, modifiers, tenses, pronouns, active versus passive voice, and more Style: advice on the less hard-and-fast areas of clarity and tone, including sentence length and order, conciseness, simplification, reading level, jargon and cliches, and subtlety Filled with self-test exercises and whimsical literary quotations, Grammatically Correct steers clear of academic stuffiness, focusing instead on practical strategies and intuitive explanations. Discussions are designed to get to the heart of a concept and provide a sufficient sense of when and how to use it, along with examples that show what ambiguities or misinterpretations might result if the rules are not followed. In cases where there is more than one acceptable way to do something, the approach is not to prescribe one over another but simply to describe the options. Readers of this book will never break the rules of language again – unintentionally.

The Only Grammar Book You'll Ever Need is the ideal resource for everyone who wants to produce writing that is clear, concise, and grammatically excellent. Whether you're creating

Everyone wants to produce writing that is clear, concise, and grammatically accurate, but getting to that point is not always easy. If you've ever had difficulty finding the right phrase to complete a simple sentence or have struggled to put a complicated thought into words, *The Only Grammar and Style Workbook You'll Ever Need* is for you. In this book, grammar savant Susan Thurman guides you through the complexities of spelling, usage, and style in the English language. Her comprehensive drills show you how to:

- Find the right words
- Identify the parts of speech
- Recognize elements of a good sentence
- Avoid common grammatical and punctuation mistakes
- Write clearly and directly

With more than 150 exercises and in-depth lessons, this workbook will quickly become your go-to resource for all your writing needs.
