Dare to enter the HOUSE OF NIGHT, the phenomenal #1 New York Times bestselling young adult series by P. C. Cast and Kristin Cast, with this complete collection of all four novellas! Dragon's Oath: In the early 19th century, Dragon Lankford is a troublesome, yet talented human teen. When he is Marked onboard a ship to America, he is saved from sure death by a Son of Erebus who sees his potential. At the Kansas City House of Night, Dragon commences his own journey towards becoming a fierce fencing master—but when a threat emerges for the House of Night, Dragon is pulled into the middle. His uncanny fighting skills make him a powerful fledgling, but is he strong enough to ward off this new darkness? Will his choices save the woman he cares for or destroy them all? Lenobia's Vow: In a small southern town at the turn of the century, young Lenobia is developing into a beautiful young woman with ideas of her own. But when she is Marked as a fledgling vampyre, her world turns upside down, and she is drawn to the musical streets of New Orleans. There, she learns of the city's dark underbelly, ruled by powerful black magic. As Lenobia experiences her first love—and loss—and discovers a passion for horses to sustain her, she must come face-to-face with Darkness itself...and she may not escape without scars. Neferet's Curse: Neferet, the Tulsa House of Night's darkly seductive High Priestess, wasn't always a powerful vampyre, but she has always been beautiful. Raised in turn-of-the-century Chicago in a motherless home, her beauty makes her the prey of unwanted attention and abuse, leaving her with wounds that will never heal—and a Darkness that will eventually need to find its way out. When she's Marked and gains strength, both physical and magickal, she turns her anger into power and looks for a way to wreak vengeance. Kalona's Fall: From the Sun and from the Moon, two winged brothers are born: golden Erebus, playmate and friend, and mysterious Kalona, Warrior and lover,

companions of the Goddess Nyx. From the first, Nyx loves them both deeply, though differently; but for Kalona, Nyx's nights are not enough. Ruled by anger and jealousy of his brother, and consumed by his love for his Goddess, Kalona seeks the power to prove his worth, and to claim once and for all that Nyx eternally belongs to him—all while Darkness stirs, waiting for its chance...

When young Lenobia is Marked as a fledgling vampyre, her world turns upside down and she is drawn to the musical streets of New Orleans where she learns of the city's dark underbelly, ruled by powerful black magic.

Zoey is finally home where she belongs, safe with her Guardian Warrior, Stark, by her side, and preparing to face off against Neferet — which would be a whole lot easier if the High Counsel saw the ex-High Priestess for what she really is. Kalona has released his hold on Rephaim, and, through Nyx's gift of a human form, Rephaim and Stevie Rae are finally able to be together — if he can truly walk the path of the Goddess and stay free of his father's shadow... But there are new forces at work at the House of Night. An influx of humans, including Lenobia's handsome horse whisperer, threatens their precarious stability. And then there's the mysterious Aurox, a jaw-droppingly gorgeous teen boy who is actually more — or possibly less — than human. Only Neferet knows he was created to be her greatest weapon. But Zoey can sense the part of his soul that remains human, the compassion that wars with his Dark calling. And there's something strangely familiar about him... Will Neferet's true nature be revealed before she succeeds in silencing them all? And will Zoey be able to touch Aurox's humanity in time to protect him — and everyone — from his own fate? Find out what's destined in the next thrilling chapter of the House of Night series.

"My love, speak to me. Tell me everything." Neferet went to Kalona, kneeling before him, stroking the soft, dark wings that unfurled loosely around the immortal. "What would you have me say?" He didn't meet her eyes. "Zoey lives." Neferet's voice was flat, cold, lifeless. "She does." "Then you owe me the subservience of your immortal soul." She started to walk away from him. "Where are you going? What will happen next?" "It is quite simple. I will ensure Zoey is drawn back to Oklahoma. There, on my own terms, I will complete the task you failed." Exonerated by the Vampyre High Council and returned to her position of High Priestess at Tulsa's House of Night, Neferet has sworn vengeance on Zoey. Dominion over Kalona is only one of the weapons she plans to use against Z. But Zoey has found sanctuary on the Isle of Skye and is being groomed by Queen Sgiach to take over for her there. Being Queen would be cool, wouldn't it? Why should she return to Tulsa? After losing her human consort, Heath, she will never be the same — and her relationship with her super-hot-warrior, Stark, may never be the same either... And what about Stevie Rae and Rephaim? The Raven Mocker refuses to be used against Stevie Rae, but what choice does he have when no one in the entire world, including Zoey, would be okay with their relationship?
