"The Timber Construction Manual has become the definitive design and construction industry source for building with structural glued laminated timber. Revised to cover the 2011 National Design Specification for Wood from the National Forest Products Association, IBC 2009 ASCE 7-10, and AITC 117-2004, this new edition contains the latest design procedures for glulam construction and an expanded collection of real-world design examples supported with detailed schematic drawings. Information and recommendations are based on the most reliable technical data available and reflect commercial purposes found to be the most practical"--

A plant engineer is responsible for a wide range of industrial activities, and may work in any industry. The Plant Engineer's Reference Book 2nd Edition is a reference work designed to provide a primary source of information for the plant engineer. Subjects include the selection of a suitable site for a factory and provision of basic facilities, including boilers, electrical systems, water, HVAC systems, pumping systems and floors and finishes. Detailed chapters deal with basic issues such as lubrication, corrosion, energy conservation, maintenance and materials handling as well as environmental considerations, insurance matters and financial concerns. The editor, Dennis Snow, has experience of a wide range of operations in the UK, Europe, the USA, and elsewhere in the world. Produced with the backing of the Institution of Plant Engineers, the Plant Engineer's Reference Book, 2nd Edition provides complete coverage of the information needed by plant engineers in any industry worldwide. Wide range of information will prove to be use to engineers in any industry Covers all the topics necessary to design and develop an engineering plant Will help engineers in industry deal with practical problems in a variety of situations

Offers advice and suggestions for building a solar-powered home, including estimating energy needs, selecting the right equipment, and

maintaining the system once it is installed.
