The townsfolk of Rusty Knob, West Virginia, see the Gillettes as ignorant wastes of space- worthless drunk sponges. As the youngest, Wynn may be a Gillette, but he doesn't act, nor think like one. At only seventeen, he studies hard, plays basketball harder, and works the hardest. Wynn is numb to his core, no longer feeling the hits that keep knocking him down to the ground. He's unable to see the bright future laid out before him. Royce Kennedy, a distant relative, tries all he can do to save the youngest generation of Gillettes from the dark shroud of bitter ignorance infecting them via their neglectful upbringing. Wynn's studying is to the backdrop of drunken chaos, his relationship with friends and family are tainted by a narrow world view, and his life is filled with more questions than answers. His every dollar earned is bled dry come payday, only to have his parents piss it down the toilet or blow caustic smoke to billow in the air. A warped sense of loyalty forces Wynn to be his family's enabler, and he's paying the ultimate price. With the support system of Royce, the mentor of the school district's LGBTQ online community, and Wynn's friends, they try to prove to Wynn he deserves anything he needs, whether he earns it or not. Growing up in an ignorant wasteland, he never learned love, friendship, and respect are unconditional, can never be purchased, and should never be abused. Wynn Gillette is at a crossroads. One thing's for sure, he cannot continue on this destructive path. Wynn has to end the only life he's ever known, breaking the bitter legacy passed down from one generation to the next. One way or the other. Permanently.

Bethany Oman: Another six months and my thesis will be finished, and then I can stop this suffocating charade. My dream is to become a therapist specializing in sexual dysfunction. What better way to write my thesis than in a Playroom filled with sexual deviants? Only problem, I had to become a deviant in order to gain entrance to the Playroom... and then I had to explain my motivations to Augustus Kline, who offered me protection for a very steep toll. My other dream is standing before me, smirking with anticipation. My original, lifelong-dream, who could easily destroy any hope of my becoming a therapist if I'm not careful. And Rory Essex makes me feel anything but careful. Willing to do anything it takes to gain the woman he loves, Rory makes a deal with Beth, which forces him to bargain with the Devil Himself. Accepting Augustus Kline's toll into the Playroom, Rory gains the key to making Bethany his Wildly Wedded Wife.

If you want to feel worthy, have worth. If you want to be useful, have a use. If you want to be loved, accept the love that is given freely. Katya Waters has finally made peace with her past, but the present and future are becoming a never-ending nightmare. At the end of Restraint, Katya fled back to her hometown, seeking solace from Ezra's constant micromanaging while hiding from her true feelings over what had happened to her at the hands of the men she had grown to trust. Before Katya can come to terms with the catastrophic events she had endured in Dominion, she is whisked away from the comfort of her safe haven. Never getting a moment to reflect before being thrust back to Dominion, Katya's defenses are down. Ezra's controlling and manipulative ways know no bounds when it comes to Katya and their daughter. Vulnerable and susceptible to his influence, Ezra forces Katya and Ava into The Edge Building's fortress of a gilded cage, where Katya fears she will never get out. Hanging onto her sense of self and moral code is difficult for Katya, as Ezra influences every aspect of her life, leaving her feeling powerless and lost as she falls deeper under his spell. Unsure where she fits into the lives of the men who impact her so deeply, Katya seeks direction from an unlikely source to regain her power. Katya's intuition screams that she is in danger, which is why she allows Ezra to keep her caged safely within the world of his creation. ...And then the threatening notes are delivered- written with the words only the monster ever whispered.

Angels walk among us, but so do other unearthly beings in this brand new series by #1 New York Times Bestselling author Laurell K. Hamilton. Meet Detective Zaniel Havelock, a man with the special ability to communicate directly with angels. A former trained Angel speaker, he devoted his life to serving both the celestial beings and his fellow humans with his gift, but a terrible betrayal compelled him to leave that life behind. Now he's a cop who is still working on the side of angels. But where there are angels, there are also demons. There's no question that there's evil at work when he's called in to examine the murder case of a college student-but is it just the evil that one human being can do to another, or is it something more? When demonic possession is a possibility, even angelic protection can only go so far. The race is on to stop a killer before he finds his next victim, as Zaniel is forced to confront his own very personal demons, and the past he never truly left behind. The first in a new series from the author of the Anita Blake and Merry Gentry series.

Dahlia Greene-aka international pop superstar Cherry-is undercover as a normal high school student. She just wants to experience what real life is like, so when she overhears hottie Keegan Matthews nervously talking about liking a girl, she sees the perfect opportunity to live a real life and play a little matchmaker. What was not part of the plan was falling for a guy she can never tell the truth. Keegan Matthews has been secretly crushing on Dahlia ever since she started at his school. Sure, Dahlia thinks he's crushing on some other girl-not realizing his Dream Girl is actually her-but he figures, play along with her tips to woo someone else, let her get to know him, and then make his move. But with so many secrets in the mix, their romance is doomed from the start... Disclaimer: This Entangled Teen Crush book contains adult language, references to drinking and drugs, and a kiss so steamy it'll fog up your reader. This Dahlia and Keegan story is a standalone book that is part of the larger, multi-authored Creative Hearts Series, which can be read out of order. If you loved Marley and Cabot's story, you'll love the complete series set at Austin NextGen Academy, including: #1 - Ten Things Sloane Hates About Tru #2 - How Willa Got Her Groove Back #3 - Crazy, Stupid, Fauxmance #4 - The Secret Life of a Dream Girl #5 - Falling for the Girl Next Door #6 - Weddings, Crushes, and Other Dramas

Twenty-five years ago, the hand of fate marked four newborns and sent them to the four corners of the Great Kingdoms. They were schooled and trained as rulers of their lands in preparation for the Golden Eclipse ceremony: a festival to celebrate a thousand years of peace and prosperity since the Great War. Crow, ruler of Northlands, a skilled swordsman and expert tactician, is as reclusive and stoic as the mountains that surround him. Tancho has spent his life in strict discipline, governing the Westlands with a fair mind and gentle hand. Quiet and unassuming, yet lethal in combat, he is the embodiment of the waters he lives by. Yet the same hand of fate unknowingly linked Tancho to Crow in ways they cannot comprehend. Ruled by the stars, the brother sun and the two sister moons above them, and marked by an alchemical sorcery as old as time, their destinies were never their own. As the eclipse draws near and the festival begins, word comes of another threat. Invaders from unknown lands bring a war no one was prepared for, and Crow and Tancho must decide on which side of the battle line they stand. In life or death, their destinies will see them joined either way. - Lacuna is a 92,000 word story of swords and sorcery, action and adventure, and romance.

Victoria has a secret...Reclusive designer Victoria Andrews hasn't gone outside in five years, though she yearns to escape the prison of her house. She designs sensual lingerie for the most exclusive dressmaker in London, although she has never known a man's touch.A Duke in disguise...Wounded and stranded in Scotland, Jonathan Nottoway, the Duke of Northingstone, is avoiding the murderous scandal that darkened his family name. As his wounds heal, he spends several sensual nights with the beautiful seamstress who knows nothing of his true identity. A passionate awakeningCan a woman trapped by her emotional scars be able to love a duke, when it means abandoning her safe world to embrace the life of a duchess? "Heart-wrenching . . . [Secrets in Silk] quartet shows great promise." - 4 stars, RT Book Reviews

It's animosity at first sight when vampire goalie Alex joins the Seattle Cascades hockey team and clashes with handsome defenseman Sasha. But a mutual desire to make the playoffs might help them move from enemies to lovers.

Decades of war started by a genocidal faction of aliens threatens the existence of any human or alien resisting their rule on Earth. Dani survives by scavenging enough supplies to live another day while avoiding the local military and human-hunting Wardens. But then she learns that she is part of the nearly immortal alien race of Echoes-not the human she's always thought herself to be-and suddenly nothing in her life seems certain. Following her discovery of her alien roots, Dani risks her well-being to save a boy from becoming a slave-a move that only serves to make her already-tenuous existence on the fringes of society in Maine even more unstable, and which forces her to revisit events and people from past lives she can't remember. Dani believes the only way to defeat the Wardens and end their dominance is to unite the Commonwealth's military and civilians, and she becomes resolved to play her part in this battle. Her attempts to change the bleak future facing the humans and Echoes living on Earth suffering under the Wardens will lead her to clash with a tyrant determined to kill her and all humankind-a confrontation that even her near-immortal heritage may not be able to help her survive.
