## **Wheel Spacers for Rims ~ Spacers Guide**

You can replace and install UTV wheel spacers by loosening the nuts, using a jack stand, sliding off the wheels, and lifting the UTV. It is recommended that you

# Online Library How To Install Spacers On A

carefully tighten the nuts. Wheel spacers are made up of metal and are fit between the wheel and the hub of UTV. These spacers improve the stability of your UTV.

## **How to install UTV wheel spacers? 7 Easy Steps**

*Page 30/32*

# Online Library How To Install Spacers On A

**Step 1:** To begin with the installation of the Coil Spring Spacer, you should loosen the nuts of the vehicle wheel. You may use a floor jack and slowly loosen at a time one wheel. Nuts on the wheels are referred to as lug nuts. However, when the lug

# Online Library How To Install Spacers On A

nuts are being relaxed, care should be taken.
