The Cotter Media Book Template

"The best sales book of the year" — strategy+business magazine That gap between your company ' s sales efforts and strategy? It ' s real—and a huge vulnerability. Addressing that gap, actionably and with attention to relevant research, is the focus of this book. In *Aligning Strategy and Sales*, Harvard Business School professor Frank Cespedes equips you to link your go-to-market initiatives with strategic goals. Cespedes offers a road map to articulate

strategy in ways that people in the field can understand and that will fuel the behaviors required for profitable growth. Without that alignment, leaders will press for better execution when they need a better strategy, or change strategic direction with great cost and turmoil when they should focus on the basics of sales execution. With thoughtful, clear, and engaging examples, *Aligning Strategy and Sales* provides a framework for diagnosing and managing the core levers available for effective selling in any organization. It will give you the know-how and tools to move from ideas to action and build a sales effort linked to your firm's unique goals, not a generic selling formula. Cespedes shows how sales efforts affect all elements of value creation in a business, whether you're a start-up seeking to scale or an established firm looking to jump-start new growth. The book provides key insights to optimize your firm's customer management activities and so improve selling and strategy.

Impossible Goals, Inevitable Successes Why are you struggling to grow your business when everyone else seems to be crushing their goals? If you needed to triple revenue within the next three years, would you know exactly how to do it? Doubling the size of your business, tripling it, even growing ten times larger isn't about magic. It's not about privileges, luck, or working harder. There's a template that the world's fastest growing companies follow to achieve and sustain much, much faster growth. From Impossible to Inevitable details the hypergrowth playbook of companies like the record-breaking Zenefits (which skyrocketed from \$1 million to \$100 million in two years), Salesforce.com (the fastest growing multibillion dollar software company), and EchoSign—aka Adobe Document Services—which catapulted from \$0 to \$144 million in seven years). Whether you have a \$1 billion or a \$100,000 business, you can use the same insights as these notable companies to learn what it really takes to break your own revenue records. For instance, one of the authors shows how he grew his income from \$67,000 to \$720,000 in four years while maintaining a 20-30 hour work week and welcoming a new child—nine times. This book shows you how to surpass plateaus and get off of the up-and-down revenue rollercoaster by answering three questions about growing revenue to tens times its size: Why aren't you growing faster? What does it take to get to hypergrowth? How do you sustain growth? This powerful, effective book provides a template for you to kick off your biggest growth spurt yet. This template includes The 7 Ingredients Of Hypergrowth: You're not ready to grow until you Nail a Niche. Overnight success is a fairy tale. You're not going to be magically discovered. You need sustainable systems that Create Predictable Pipeline. Growth exposes your weaknesses and it

Stop pushing your message out and start pulling your customers in Traditional "outbound" marketing methods like cold-calling, email blasts, advertising, and direct mail are increasingly less effective. People are getting better at blocking these interruptions out using Caller ID, spam protection, TiVo, etc. People are now increasingly turning to Google, social media, and blogs to find products and services. Inbound Marketing helps you take advantage of this change by showing you how to get found by customers online. Inbound Marketing is a how-to guide to getting found via Google, the blogosphere, and social media sites. • Improve your rankings in Google to get more traffic • Build and promote a blog for your business • Grow and nurture a community in Facebook, LinkedIn, Twitter, etc. • Measure what matters and do more of what works online The rules of marketing have changed, and your business can benefit from this change. Inbound Marketing shows you how to get found by more prospects already looking for what you have to sell.

Over the last decade, technology has dramatically changed the role of salespeople at companies of all sizes. But one crucial fact remains: Sales is the most vital function of every business. In *How to Sell More*, the editors of Harvard Business Review have gathered advice

from some of the world's top business professors, consultants, trainers, and sales managers. In these collected essays, you'll learn how to:

- Effectively recruit, train, manage, and support these key employees
- Use smart pricing, promotions, and incentives to make your sales team more successful
- Avoid the biggest mistakes entrepreneurs make when pursuing their first sales
- Master the daily challenges of selling, from planning a sales call to handling a potential customer's toughest questions

More than most workers, salespeople perform in a field where success is easily measured: How much did you sell today, this week, this quarter? If you're looking for ways to bump up those numbers, this book offers you valuable insights and practical tools. HBR Singles provide brief yet potent business ideas, in digital form, for today's thinking professional.

Develop and implement an effective content strategy tailored to your business's needs

Inbound Content is a step-by-step manual for attracting the right people, turning them into leads, and closing them into customers. Today, everyone knows that content is king. It's how we engage, how we inform, and how we pass the time; content is everywhere, and if you're not leveraging its power to promote your business, you've already been left behind. Having a website and social media is not enough; if you truly want to take advantage of unprecedented levels of connectedness, you have to create content that draws customers in. It's not about blindly expanding reach, it's about reaching out to the right audience. Today's marketplace is no longer about chasing the sale—with the right approach to content, your customers will come to you. Your content must be valuable, relevant, and consistent—but how should it be implemented at the actual content-creation level? This book

True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.
