the Gulf War. His account of that time is also part of a lineage - after Wilfred Owen, Norman Mailer, Michael Herr and Tim O'Brien, it brings the raw and searing tradition of soldiers' stories up to date.

From the harsh realities of basic training to post-war chaos in Iraq and knife-edge tension in Northern Ireland, Squaddie takes us to a place not advertised in army recruitment brochures. It exposes the grim reality of everyday soldiering for the 'grunts on the ground'. After the tragic death of his brother, and in the dark days following 9/11, McLaughlin felt

Download Free Jarhead A Solders Story Of Modern War A Soldiers Story Of Modern War

compelled to fulfil his lifelong ambition to serve in the army. He followed his late brother into the elite Royal Green Jackets and passed the arduous Combat Infantryman's Course at the age of 31. Thereafter, McLaughlin found himself submerged in a world of casual violence. Squaddie is a snapshot of infantry soldiering in the twenty-first century. It takes us into the heart of an ancient institution that is struggling to retain its tough traditions in a rapidly changing world. All of the fears and anxieties that the modern soldier carries as his burden are laid bare, as well as the occasional joys and triumphs that can make him feel like he is doing the best job in the world. This is an account of army life by someone who has been there

War and done it.

The first combat memoir of the War on Terrorism: the gripping story of a young man's transformation into a twenty-first-century warrior. Born into a family with a long history of military service dating back to the Revolutionary War, Andrew Exum enrolled in Army ROTC to pay for his Ivy League education. Shortly after graduation in 2000, he joined the infantry, then endured the grueling rigors of Ranger School before becoming a platoon leader with the storied 10th Mountain Division. He thought that perhaps, if he was lucky, he and his men would see action on a peacekeeping mission. Then came the fateful events

of September 11, 2001. Called to action as a twenty-three-year-old, he led his troops into Afghanistan to root out the hard-core remnants of Osama bin Laden's forces. Thrown into the maelstrom of modern war, Exum contended with Afghani warlords, cable news correspondents, and the military bureaucracy while hunting a desperate enemy in a treacherous land—and on a mountain ridge in the Shah-e-Kot Valley he would confront and kill an al-Qaeda fighter. After returning home, Exum struggled to come to terms with the media coverage and public perception of the war while seeking to make peace with the man he had become. By turns harrowing and reflective, this powerful memoir gives voice to a generation of

War soldiers that has risen to confront the threats of a dangerous new world.

After the overthrow of Saddam Hussein, First Sergeant Daniel Hendrex was dispatched along with his unit, Dragon Company, to Husaybah, a small town bordering Syria in the Sunni-dominated Al Anbar Province in Iraq. Their mission was to plug the bottleneck at the border checkpoint, where foreign fighters and weapons smugglers were filtering through daily to join the increasingly menacing insurgency growing rapidly in the region. It was at this checkpoint, amid relentless attacks, that Daniel and his men found the most effective ally of the war effort

War in the most unlikely of sources. In December 2003 a skinny Iraqi kid about fourteen years old approached one of the soldiers at the border and said simply, "Arrest me." Jamil, as he was called, claimed to have valuable information about the insurgency, but First Sergeant Hendrex was skeptical -- especially when the boy announced that the man he wanted to turn in was his own father. The story that unfolds is one of heartbreaking tragedy, remarkable courage, and unprecedented resiliency, as this child of the insurgency takes it upon himself to fight back with the help of the U.S. Army...and loses everything in the process -- his country, his home, and his family. But through the power of his own conviction and his finely

War honed survival skills, Jamil (who was quickly nicknamed Steve-O by the soldiers of Dragon Company) sought refuge with the U.S. military in exchange for information. He risked everything he knew for a chance at freedom -- a choice few men, let alone children, have to make in their lifetimes. And after Steve-O helped save countless lives, First Sergeant Hendrex made it his personal mission to repay his debt and get the boy to safety. A Soldier's Promise is an incredible story of sacrifice and courage by an Iraqi boy and the U.S. soldiers who protected him from certain death by bringing him to the United States. It's an astonishing tale of two countries and two very different kinds of people joining together

War against terror and tyranny, and of the young man who, against all odds, gave Dragon Company what they desperately needed -- hope.

The publication of Jarhead launched a new career for Anthony Swofford, earning him accolades for its gritty and unexpected portraits of the soldiers who fought in the Gulf War. It spawned a Hollywood movie. It made Swofford famous and wealthy. It also nearly killed him. Now with the same unremitting intensity he brought to his first memoir, Swofford describes his search for identity, meaning, and a reconciliation with his dying father in the years after he returned from serving as a sniper in the Marines. Adjusting to life

Download Free Jarhead A Solders Story Of Modern War A Soldiers Story Of Modern

After war, he watched his older brother succumb to cancer and his first marriage disintegrate, leading him to pursue a lifestyle in Manhattan that brought him to the brink of collapse. Consumed by drugs, drinking, expensive cars, and women, Swofford lost almost everything and everyone that mattered to him. When a son is in trouble he hopes to turn to his greatest source of wisdom and support: his father. But Swofford and his father didn't exactly have that kind of relationship. The key, he realized, was to confront the man—a philandering, once hard-drinking, now terminally ill Vietnam vet he had struggled hard to understand and even harder to love. The two stubborn, strong-willed war vets embarked on a series

Download Free Jarhead A Solders Story Of Modern War A Soldiers Story Of Modern

of RV trips that quickly became a kind of reckoning in which Swofford took his father to task for a lifetime of infidelities and abuse. For many years Swofford had considered combat the decisive test of a man's greatness. With the understanding that came from these trips and the fateful encounter that took him to a like-minded woman named Christa, Swofford began to understand that becoming a father himself might be the ultimate measure of his life. Elegantly weaving his family's past with his own present-nights of excess and sexual conquest, visits with injured war veterans, and a near-fatal car crash-Swofford casts a courageous, insistent eye on both his father and himself in order to make sense of what his military

War service meant, and to decide, after nearly ending it, what his life can and should become as a man, a veteran, and a father.

An underemployed, skateboarding party animal, Colby Buzzell traded a dead-end future for the army—and ended up as a machine gunner in Iraq. To make sense of the absurd and frightening events surrounding him, he started writing a blog about the war—and how it differed from the government's official version. But as his blog's popularity grew, Buzzell became the embedded reporter the Army couldn't control—despite its often hilarious efforts to do so. The result is an extraordinary narrative, rich

War With unforgettable scenes: the Iraqi woman crying uncontrollably during a raid on her home; the soldier too afraid to fight; the troops chain-smoking in a guard tower and counting tracer rounds; the first, fierce firefight against the "men in black." Drawing comparisons to everything from Charles Bukowski to Catch-22, *My War* depicts a generation caught in a complicated and dangerous world—and marks the debut of a raw, remarkable new voice.

A thoughtful and timely discussion contemporary war literature and films.

Based on Evan Wright's National Magazine Award-

Download Free Jarhead A Solders Story Of Modern War A Soldiers Story Of Modern

Winning story in Rolling Stone, this is the raw, firsthand account of the 2003 Iraq invasion that inspired the HBO® original mini-series. Within hours of 9/11, America's war on terrorism fell to those like the twenty-three Marines of the First Recon Battalion, the first generation dispatched into open-ended combat since Vietnam. They were a new pop-culture breed of American warrior unrecognizable to their forebears—soldiers raised on hip hop, video games and The Real World. Cocky, brave, headstrong, wary and mostly unprepared for the physical, emotional and moral horrors ahead, the “First Suicide Battalion” would spearhead the blitzkrieg on Iraq, and fight against the hardest resistance Saddam had to offer.
