Life is made up not of days, but of moments. What if, in one moment, everything you knew about your life changed forever? Jennifer and David Brookehouse have an ecstatically happy marriage and thriving careers. She, a noted photographer, and he, an anesthesiologist with University of Washington Medical Center in Seattle. She performs in musical theater and he competes in bicycle races for charity. Jenny could never have foreseen how her life would change when she sent her husband off to a race in Vermont. In a moment, his body and mind are shattered by a drunk driver. He nearly dies and spends weeks in a coma. When he awakes, he is a changed man. Just when things seem to be getting back to normal, David disappears without a trace. Jenny must swim a sea of red tape just to get the police involved in a search with no clues and no witnesses. When no one believes he can be found and brought home alive, Jenny has faith and refuses to give up.

Toots and Ron Pipe stand transfixed as they watch the huge flames approach the family home..... It appears in the distance as a little black dot. These incidents are among the many included in Just a Piece of Me, a memoir of laughs, entertainment, and survival as experienced by the Spears clan.

Upset with the news Mama and Papa told them one evening at supper, Jenny and Stella Rose couldn't believe they weren't going to have a Christmas this year. The year 1935, the great depression gripped Chicago and the entire nation. Many families were having a difficult time making ends meet. Christmas was easily an expense they could ignore. Or could they? Together somehow Jenny and Stella Rose maintained a happy outlook. In spite of the dire circumstances, they were able to keep the spirit of Christmas and Santa Claus alive in their hearts and mind. They happily took part in all the happy festivities that were happening around them during this Happy Holiday Season. Jenny and Stella Rose participated in all the activities at school, at church, with neighbors and friends, never losing their anticipation of Christmas. In spite of Mama and Papa's news, will Jenny and Stella Rose, celebrate a Christmas after all?
