So far, the Tyack & Frayne books are my favorites and Kitto, to date (I've just finished book 5) is my top read. The mystery story engaged me, kept me absolutely caught until I finished. As always, I absolutely adore Lee & Gideon's relationship - it's real, with all the fuss, bother, arguments and utter love of real life.

Gideon Frayne has spent his whole working life as a policeman in the village of Dark on Bodmin Moor. His first missing-child case is eating him alive. When his own boss sends in a psychic to help with the case, he's gutted - he's a level-headed copper who doesn't believe in such things, and he can't help but think that the arrival of clairvoyant Lee Tyack is a comment on his failure to find the little girl.

The Tyack & Frayne Mysteries, Book 5 ... Kitto is harmless - a charming drifter, very handsome. To Gideon he's just a kid, flesh and blood and a bit of a nuisance. But Lee reacts with horror. Since when can Gideon - Lee's rock, his connection to the real world and sanity - see ghosts? ...

Kitto - Gideon and Lee set out into Cornwall's mysterious creek country for a hard-earned romantic break. But Kelyndar village is gearing up for its ancient midsummer rites, and unlaidd ghosts are in the air - amongst them Kitto, a runaway teenage boy. Gideon shouldn't be able to see him, but he can, and Lee is afraid that the barriers between the world of the spirits and his safe new life with Gid are finally breaking down. Guardians Of The Haunted Moor - After a year of chaotic married bliss, a family disaster hits Gid and Lee like a demolition ball. In the aftermath, Gideon must investigate the murder of a farmer in the fields outside Dark. The death looks like the work of the Bodmin Beast - but Gideon put that legend behind him a long time ago. Can the impossible be real? Third Solstice - Tamsyn Elizabeth Tyack-Frayne, Gid and Lee's adopted daughter, is a perfectly normal little girl - except for her ability to move objects with her mind. Before her fathers can work out how to handle her gifts, Gideon is called up to police the Solstice celebrations in Penzance. The longest, wildest night has just begun...

Is there room for love in a heart full of secrets? One year ago, before Fate took a wrecking ball to his life, Nichol was happily working on his doctorate in linguistics. Now he's hip deep in sheep, mud and collies. His late brother and mother had been well suited to life on Seacliff Farm. Nichol? Not so much. As lambing season progresses in the teeth of an icy north wind, the last straw is the intruder Nichol catches in the barn. He says his name is Cam, and he's on the run from a Glasgow gang. Something about the young man's tired resignation touches Nichol deeply, and instead of giving him the business end of a shotgun, he offers Cam a blanket and a place to stay. Somehow, Cam quickly charms his way through Nichol's defenses and into his heart. Even his grandfather takes to the cheeky city boy, whose hard work and good head for figures help set the farm back on its feet. As the cold Scottish springtime melts into summer, Nichol finds himself falling in love. When tragedy strikes, Cam's resolutely held secret is finally revealed and Nichol must face the truth. He's given his heart away, and it's time to pay the price. Warning: Contains explicit M/M sex and the disruption of a quiet Scottish town by a fistfight and some tight designer jeans.

It's 1946, and the dust of World War Two has just begun to settle. When famous archaeologist Rufus Denby returns to London, his life and reputation are as devastated as the city around him. He's used to the most glamorous of

excavations, but can't turn down the offer of a job in rural Sussex. It's a refuge, and the only means left to him of scraping a living. With nothing but his satchel and a mongrel dog he's rescued from a bomb site, he sets out to investigate an ancient church in the sleepy village of Droyton Parva. It's an ordinary task, but Droyton is in the hands of a most extraordinary vicar. The Reverend Archie Thorne has tasted action too, as a motorcycle-riding army chaplain, and is struggling to readjust to the little world around him. He's a lonely man, and Rufus's arrival soon sparks off in him a lifetime of repressed desires. Rufus is a combat case, amnesiac and shellshocked. As he and Archie begin to unfold the archaeological mystery of Droyton, their growing friendship makes Rufus believe he might one day recapture his lost memories of the war, and find his way back from the edge of insanity to love. It's summer on the South Downs, the air full of sunshine and enchantment. And Rufus and Archie's seven summer nights have just begun...

Every family has a hidden story--even the perfect ones. In this suspenseful and deeply moving novel, Michael Thomas Ford propels us beyond smiling holiday photographs and beloved anecdotes to explore the complex ties within one family--and between two very different brothers whom catastrophe will either unite or divide forever. . . On the morning James McCloud, a Seattle district attorney, gets a call from his sister, he senses his own long-buried family history is about to be dragged into the light. James's father, Daniel, a police officer, disappeared eight years ago. Now his body has been found. James always believed his father committed suicide. But the evidence leaves no doubt: Daniel was murdered. James immediately returns to Cold Falls, New York, to be with the rest of his family. Among them is his brother, Billy, twenty-one, gay, and even more troubled than James remembers. James was always the golden child, Billy the disappointment. Time has not healed their differences, but events may drastically change their roles. For when James's high school ring is discovered with Daniel's body, he becomes the prime suspect. And as the truth emerges, piece by piece, Billy finds himself amid a swirl of secrets and lies powerful enough to decide his brother's fate, threaten yet another life, and destroy the bonds that still remain. . . "A fast-moving yet thoughtful exploration of family love and the things we do in its name." --Booklist

This is the FoxTales edition of the book previously published by Samhain Publishing. Other than the cover art and description, the book is the same. Hundreds of years ago, on a wild sea coast, two bold-hearted men met in combat and love... This is the story of Caius, a Christian monk struggling to reconcile his sensual nature with his newfound faith, and of Fenrir, a ferocious Viking raider abandoned by his comrades and left for dead. When Caius takes pity on the wounded man, his brethren are horrified: what kind of wolf has Cai brought into the fold? But only when Cai and Fen join forces can the monastery of Fara be saved from the raiders from the east. And Fara holds a secret worth guarding, a legendary amulet with the power to bind even the might of the Vikings. Fen, his heart divided between old loyalties and a new love, must make a decision which could shatter his own heart and Cai's into the bargain. Will there ever be peace and a future for these brothers of the wild North Sea?

Now Sam is about to turn 16 and he is dreading the day. The only birthday wish he has is for Jake who is the Mr. Popular of Arcadia High to even acknowledge his existence, or better yet give him a happy-birthday kiss. But Sam knows that it's not gonna happen. Or is it?

Ever since the accident that cost him his job on the Seattle police force, Kevin Quinn has been living with psychic abilities he refers to as the 'gift that keeps on taking'. Connor Dougal has every reason to believe all psychics are fakes and charlatans. He's still numb from the disappearance of his first love, a boy who went missing ten years earlier. Everything he aspires to is a direct result of that tragedy, even the acquisition of his detective shield. The irony of having to babysit Kevin Quinn is not lost on him. These two suspicious men must develop trust and respect for one another to solve the case and, on the way, maybe fall in love.

Ellery Page is back--and in hot water again! Unlike everyone else in Pirate's Cove, Ellery Page, aspiring screenwriter, reigning Scrabble champion, and occasionally clueless owner of the village's only mystery bookstore, is anything but thrilled when famed horror author Brandon Abbott announces he's purchased legendary Skull House and plans to live there permanently. Ellery and Brandon have history. Their relationship ended badly and the last thing Ellery wants is a chance to patch things up--especially when his relationship with Police Chief Jack Carson is just getting interesting. But then, maybe Brandon isn't all that interested in getting back together either, because he seems a lot more interested in asking questions about the bloodstained past of his new home than discussing a possible future with Ellery. What is Brandon really up to? Ellery will have to unscramble that particular puzzle post haste. Because after his former flame disappears following their loud and public argument, Ellery seems to be Police Chief Carson's first--and only--suspect.
