Castles & knights for children. Medieval history can be one of the most compelling areas of learning to explore. Filled with stories of valiant knights and tower castles, perhaps down to the continued popularity of the stories of King Arthur but it remains exciting and especially because it has a lot of clear imagery for children.

I made an information booklet about castles (our current topic). Children work together in pairs to find key information in the booklet and transfer it onto the planning sheet (wrksheet 3). They then use the information they have found to write their own non-chronological report! Hope it helps - Please comment.

Knights and Castles is one of the first books in a Lego-themed nonfiction series published by Scholastic. The series is being marketed as "a Lego adventure in the real world." What I liked about this one: I enjoyed the nonfiction narrative. Both the main, flowing narrative that is simple and quick paced.
