Necessary Dreams makes a provocative case for female ambition. It works as a feminist treatise, a study of human motivation and a how-to manual for revamping the too-often demoralizing American workplace."

~~Necessary Dreams: Ambition in Women's Changing Lives- Fels---~~

Necessary Dreams is like lying on the couch with a good therapist, which Fels is. The book is so readable yet touched at the core of the issues women have with ambition and why. Her definition of ambition as a proven human psychological need - desire for mastery + desire for recognition - is so helpful and so validating for women and mothers who are often made to feel bad for wanting to pursue ambitions.

~~Necessary Dreams: Ambition in Women's Changing Lives---~~

The central theme of Necessary Dreams is the importance of ambition in women's lives. Fels states that "(w)omen, more than men, need to actively imagine themselves into their futures because so little is mapped out for them at this historical moment" (p. xvi). She contends that to have a plan, to pursue an ambition, it is necessary to dream. Although women have more
