Powerborn is the first installment of the Zarryiostrom novels, introducing readers to the world of dragon witches, powerborns, the fae, and the realms of three different yet intriguing kingdoms. All the while between the bickering and plots to conquer one another's territories, an old yet historic event is doomed to repeat again.

?2500 Years ago, a race of immortal Powerborn known as the Lyx dominated the world, enslaving all of the lesser races and pushing the world itself to the breaking point. At the height of the Lyx's power, Fate intervened and unleashed the most dangerous weapon in its arsenal: the force of nature known...

Here's a video of me reading the glossary from "Powerborn: Book One of the Zarryiostrom" by Nene Thomas and Steven C. Plagman, to help you with the pronunciation of the character names from the story.

~~Names from "Powerborn: Book One of the Zarryiostrom", as
read by the author.~~

Loved the 2nd book to the Zarryiostrom - Usurper. Knowing the paintings of the characters, by Nene Thomas, adds to the whole mystery of the story. I can not wait to read the third, but as it is the last, I can wait, just so that I have longer before I finish the whole story lol! Such a good read and hard to put down.
