Customize all your PrestaShop themes with easy-to-follow recipes designed to remedy common pitfalls. Separated clearly into subjects, you will easily be able to look up the problem you are having and find a solution. Free of jargon and long sections of theory, PrestaShop Recipes enables you to troubleshoot and learn all at the same time. This book will aid you in your PrestaShop development - the free, open source e-commerce content management solution written in PHP and with support for MySQL. Accessible to small start-ups or larger businesses, it is becoming a very popular eCommerce solution and this book will enable you to use it to its full potential. What You'll Learn See how PrestaShop works and how it can be customized Turn your PS site into an Events Booking site Apply SEO strategies and improve performance Who This Book Is For PS site owners and developers who are interested in improving or customizing their shop. Site owners will get the same benefit from it as developers because the 'recipe' idea is to provide an easy to follow guide for making customizations a reality.

Completamente rivisto rispetto alla prima edizione, il testo è stato pensato e scritto per gli imprenditori, gli esperti di marketing e gli sviluppatori che desiderano avviare, gestire e progettare un e-commerce di successo. Tratta con precisione e dettaglio ogni singolo aspetto della filiera del commercio elettronico, dalla validazione dell'idea al modello di business (dropshipping, marketplace, subscribe ecc.), dal team agli strumenti necessari, dal Business Plan al piano di marketing, dalla definizione del prezzo agli indici di performance (KPI), dall'imballaggio alla spedizione, dalla gestione dei resi alle tecniche per incrementare le vendite, dagli aspetti fiscali (SCIA, VIES e IVA) a quelli legali (condizioni di vendita, privacy, cookie e ODR). Sono presenti estratti di codici di programmazione, script, approfondimenti sulle strategie adottate da Amazon, eBay, YOOX e Zalando nonché indicazioni tecniche per le piattaforme Magento, PrestaShop e WooCommerce. Sul sito ecommerce-vincente.it sono disponibili approfondimenti e aggiornamenti per i lettori.

PrestaShop is a free, open source eCommerce solution written in PHP. It supports payment gateways such as DirecPay, Google Checkout & PayPal. With this book you'll find a link to download 100Mb+ including the module ""MyProducts"" with its own documentation. This book will help you to customize the Prestashop 1.5 - 1.6 through the Admin panel, and to make advanced code changes and template customization. Many tools are discussed in this book to facilitate the developers and to help them to understand the architecture of Prestashop in the shortest amount of time. Alex works as developer manager for an IT group in London. He started as software developer in 1985.

This sumptuous book is a wide-ranging, yet accessible, overview of the making, design, and use of textiles from the Indian subcontinent...

Business systems undergo a number of transitions as the needs and demands of society change. With heightened connectivity driven by the development of the Internet, new opportunities for venture development and creation have become available to business owners and entrepreneurs. Crowdfunding for Sustainable Entrepreneurship and Innovation is a pivotal reference source for the latest scholarly research and business practices on the opportunities and benefits gained from the use of crowdfunding in modern society, discussing its socio-economic impact, in addition to its business implications. Featuring current trends and future directions for crowdfunding initiatives, this book is ideally designed for students, researchers, practitioners, entrepreneurs, and policy makers. New financing models such as crowdfunding are democratizing access to credit, offering individuals and communities the opportunity to support, co-create, contribute and invest in public and private initiatives. This book relates to innovation in its essence to anticipate future needs and in creating new business models without losing revenue. There are tremendous unexplored opportunities in crowdsourcing and crowdfunding; two sides of the same coin that can lead to a revolution of current social and economic models. The reading of this book will provide insight on the changes taking place in crowdfunding, and offer strategic opportunities and advantages.

If you are a developer who is new to PrestaShop and wants to get a good foundation in development on the PrestaShop framework, this book is for you. It's assumed that you will have some experience with PHP5, jQuery, and HTML/CSS (no need to be an expert on it).

A newly revised and expanded edition of the revolutionary business classic, Differentiate or Die, Second Edition shows you how to differentiate your products, services, and business in order to dominate the competition. Veteran marketing guru Jack Trout uses real-world examples and his own unique insight to show you how to bind customers to your products for long-term success and loyalty. This edition includes new case studies, new research, and updated examples from around the world.

An easy-to-follow guide full of tips and examples of real-world applications. In each chapter, a thorough example will show you the concepts in action, followed by a detailed explanation. This book is intended for those who want to learn how to create, query, and maintain a graph database, or who want to migrate to a graph database from SQL. It would be helpful to have some familiarity with Java and/or SQL, but no prior experience is required.

The secrets behind the world's most beautiful skin! In Korea, healthy, glowing skin is the ideal form of beauty. It's considered achievable by all, men and women, young and old—and it begins with adopting a skin-first mentality. Now, this Korean beauty philosophy has taken the world by storm! As the founder of Soko Glam, a leading Korean beauty and lifestyle website, esthetician and beauty expert Charlotte Cho guides you through the world-renowned Korean ten-step skin-care routine—and far beyond—to help you achieve the clearest and most radiant skin of your life With Charlotte's step-by-step tutorials, skin-care tips, and advice on what to look for in products at all price levels, you'll learn how to pamper and care for your skin at home with Korean-approved techniques and pull off the "no makeup" makeup look we've seen and admired on women in the streets of Seoul. And you'll get access to beauty secrets from Charlotte's favorite beauty gurus from around the world, including supermodels, YouTube sensations, top makeup artists, magazine editors, actresses, and leading Korean skincare researchers. With the knowledge of an expert and voice of a trusted friend, Charlotte's personal tour through Korean beauty culture will help you find joy in the everyday beauty routines that will transform your skin.
