Then joy will accompany him in his work all the days of the life God has given him under the sun" (Ecclesiastes 8:15). What Solomon meant by this becomes clearer as we read the book of Proverbs ...

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

Literature and Theology.

In this new volume in the Belief series, Amy Plantinga Pauw reveals how the biblical books of Proverbs and Ecclesiastes, while often overlooked, are surprisingly relevant for Christian faith today. Both biblical books probe everyday human experiences. They speak to those who seek meaning and purpose in an uncertain world and encourage us to look for God's presence in human life, not in divine visions or messages. They show openness to wisdom insights from many sources, urging us to find the commonalities and connections of our wisdom with those of our religious neighbors. Ultimately, these books affirm that true wisdom, whatever its human source, comes from God. Pauw includes reflections for preaching and teaching throughout her study.

Presents a modern translation of the books of Job, Proverbs, and Ecclesiastes in the Old Testament, providing an annotation and commentary for each verse.

"The fear of the Lord is the beginning of wisdom." In the Wisdom literature of the Bible we first hear the cool voice of a teacher calling us to think--to think hard and humbly. "How long will fools hate knowledge?" cries Wisdom in the book of Proverbs. Then in Job comes the anguished voice of the questioner, earnest enough to seek answers, honest enough to doubt easy

ones. In Ecclesiastes the chastened tone of the Preacher warns of the vanity of all life under the sun. Sensitive to both literary form and theological content, Derek Kidner introduces Proverbs, Job and Ecclesiastes, explaining their basic character and internal structure. He also summarizes and evaluates the wealth of modern criticism focused on each book. Looking at all three books together, Kidner shows how their many voices compare, contrast and ultimately give a unified view of life. Kidner extends his analysis to include Ecclesiasticus and The Wisdom of Solomon from the Apocrypha, and he reprints excerpts from non-Israelite works that parallel the three major books treated.

These books of the Bible, despite their differences, all treat the phenomenon of what it means to live wisely before God. In this readable commentary, Ellen Davis points out that the writers of these books considered wisdom--and the fruits of wisdom, a well-ordered life and a peaceful mind--to be within the grasp of anyone wholeheartedly desiring it. Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.

Many today find the Old Testament a closed book. The cultural issues seem insurmountable and we are easily baffled by that which seems obscure. Furthermore, without knowledge of the ancient culture we can easily impose our own culture on the text, potentially distorting it. This series invites you to enter the Old Testament with a company of guides, experts that will give new insights into these cherished writings. Features include • Over 2000 photographs, drawings, maps, diagrams and charts provide a visual feast that breathes fresh life into the text. • Passage-by-passage commentary presents archaeological findings, historical explanations, geographic insights, notes on manners and customs, and more. • Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages. • Written by an international team of 30 specialists, all top scholars in background studies.

"A comprehensive guide to contemporary Christian artists, and to secular artists whose faith has affected their life and work"--Back cover of accompanying book. Also includes information about the bands and trends in contemporary Christian music.
