APA Style

With each new edition of the Publication Manual there is a transition period, in which authors continue to submit journal articles and students continue to write papers in the previous edition's style. We recommend that editors and instructors make the switch and adopt the seventh edition Publication Manual in January 2020 or thereafter.

guidance on choosing the headings, tables, figures, language, and tone that will result in powerful, concise, and elegant scholarly communication.

Publication manual of the American Psychological ...

I use this manual for reference citations for the grad school classes I am taking. The information is available for free online, but I appreciate having a book in front of me. I thought the spiral-bound book would lay flat and be easier to use than the paperback, but the wire catches on the pages way too often and bends the pages.
