E "Pulvis et umbra" non fa eccezione.

Una storia coinvolgente, ancora più dura delle precedenti e in cui persino il Vicequestore finisce per trovarsi a disagio per il troppo fango in cui deve muoversi. La fine del libro (con tanto di sorpresa nelle ultimissime pagine) lascia un po' di amaro in bocca e, in attesa di un nuovo capitolo, non ci resta che sperare nelle visite di Marina e nella ...

Aosta e Roma, doppia indagine per Rocco Schiavone nell'attesissimo nuovo romanzo. Un noir mozzafiato dal ritmo perfetto con un meccanismo dai mille ingranaggi che non perde mai un colpo.

Il Capodanno del vicequestore Rocco Schiavone non potrebbe essere più Page 12/22

ruvido: a martellate è stato spaccato il cranio di un pensionato-barbone. Unico testimone un altro barbone. E in più è in attesa di un trasferimento punitivo. Il racconto 'L'accattone' è tratto dall'antologia 'Capodanno in giallo' pubblicata nel 2012.

Already an international hit, a sly, sizzling mystery—the first in a sensational crime series—set in the Italian Alps, reminiscent of the works of Andrea Camilleri, D. A. Mishani, Donna Leon, and Henning Mankell. Getting into serious trouble with the wrong people, deputy prefect of police Rocco Schiavone is exiled to Aosta, a small, touristy alpine town far from his beloved Rome. The sophisticated and crotchety Roman despises mountains, snow, and the provincial locals as much as he disdains his superiors and Page 13/22

their petty rules. But he loves solving crimes. When a mangled body has been discovered on a ski run above Champoluc, Rocco immediately faces his first challenge—identifying the victim, a complex procedure complicated by his ignorance of the customs, dialect, and history of his new home. Proud and undaunted. Rocco makes his way among the ski runs, mountain huts, and aerial tramways, meeting ski instructors, Alpine guides, the hardworking, enigmatic folk of Aosta, and a few beautiful locals eager to give him a warm welcome. It won't be easy, this mountain life, especially with a corpse or two in the mix. But then there's nothing that makes Rocco feel more at home than an investigation. An insightful observer of human nature, Antonio Manzini writes with sly humor

and a dash of irony, and introduces an irresistible hero—a fascinating blend of swagger, machismo, and vulnerability—in a colorful and atmospheric crime mystery series that is European crime fiction at its best.

A clever, engaging third novel in the Rocco Schiavone mystery series from bestselling Italian author, Antonio Manzini, following the dashing deputy police chief who confronts his most riveting case ever. It's the bitterly cold spring season in alpine Aosta, and a girl has been kidnapped. Chiara Berguet, daughter of the owners of a local construction firm, was targeted thanks to the sizeable debt her parents owe. But like many a best-laid plan, a blown tire causes the crime to go haywire as the kidnappers' van skids off the road and crashes into a pair of

larch trees. Both the driver and his accomplice die on impact, leaving the girl in the back, gagged and bound and unable to break herself free Meanwhile Rocco Schiavone wakes to find himself in Anna's apartment. She's the best friend of his girlfriend Nora, and memories of the night before, a heated evening with Anna, return to him. As he sneaks out, he sees the first few snowstorm clouds of the spring season move across the sky, an ominous reference that something is off. If trouble at home and a case of kidnapping weren't enough, Rocco will eventually have to contend with Enzo Bajocchi, Rocco was the one who sent Enzo to prison, and in the process killed Enzo's brother. Having just escaped from prison, Enzo is heading north with a newly purchased revolver and, clearly,

revenge on his mind. And when an unfortunate incident of mistaken identity makes Enzo's act of revenge even more fiendish, it also presents a gruesome scene for Rocco to discover on his return home.

The fourth installment in the Rocco Schiavone mystery series from the international bestselling author, Antonio Manzini picks up three days after his last novel, Out of Season, left off, as Rocco seeks revenge for a friend—and closure for himself. Rocco. is still reeling from the death of his best friend's girlfriend, who was murdered as she slept in his bed. There's no doubt that she was in the wrong place at the wrong time and paid the ultimate price. With the identity of the hitman still unknown, a cloud lingers over Rocco, dulling his Page 17/22

judgment and leaving this anti-hero exposed to other threats. For Rocco has stepped on one too many people's toes over the years, namely the mafia that is still being rooted out in Aosta. To complicate matters, the kidnapped teenager that Rocco saved has not fully recovered. But all is not as it appears with that family. Her mother, father, and boyfriend are all running some sort of farce that Rocco can't easily crack. And now he must grapple between these two parallel investigations and find answers once and for all...before one too many skeletons come after him. With the same clever insights, vitality, and humor readers have come to expect from Manzini, Spring Cleaning is another engaging, page-turning mystery.

Small towns can hide big secrets, but Rocco Schiavone will do whatever it takes to bring them into the light. The second novel in the internationally bestselling series from Italian crime maestro Antonio Manzini.

'A masterful exploration of love, loss and the healing power of the natural world. Heartbreaking and uplifting in equal measure' Observer LONGLISTED FOR THE AUTHORS' CLUB BEST FIRST NOVEL AWARD 2018 Jonah roams Kew Gardens trying to reassemble the shattered pieces of his life after the death of his wife, Audrey. Weathering the seasons and learning to love again, he meets Chloe, an enigmatic origami artist who is hesitant to let down her own walls. In the gardens he also meets ten-yearold Milly, and Harry, a gardener, both Page 19/22

of whom have secrets of their own to keep – and mysteries to solve.
