I was delighted with the two disc edition of *Catching Fire* because I am always interested in the work that goes into visualizing a story, particularly if it is not set in the present century. Stories set in the future challenge the imagination of the art department as well as the costume department.

Know About Finnick

In July, British Airways announced that it would retire all of its Boeing 747-400s prematurely, given the impact that the pandemic has had on air travel demand. The airline had 28 Boeing 747s, which were an average of 23 years old. As any avgeek can attest to, seeing airlines retire this iconic plane is a sad
