How Two Million Women Survived Without Men after the First World War. To the Bridget Jones generation it often seems as if available men are getting scarcer; but there is nothing new about young women who can ' t find relationships. Singled Out tells the story of a generation of women, brought up in the unquestioning belief that marriage was their birthright, who discovered after the 1914-18 war that there were, quite simply, not enough men to go round.
