Love is the greatest manifestation principle of all. Love, in this context, is not a feeling or emotion. It is a state of being, an attitude toward everything and everyone (including yourself) at all times, in all ways. Carnelian Sage says that as a state of being, love transforms and becomes the most powerful magnetic force in the universe.

Millions of people have been seduced by the lure of the Law of Attraction and its promise of manifesting wealth, health and all the good things in life. However, the practice of the Law of Attraction as it is currently taught yields disappointing -- or even harmful -- results. 'The Greatest Manifestation Principle in the World' corrects the inaccuracies, points out hidden dangers, and dispels the myths surrounding the Law of Attraction. More importantly, it sheds light on 'the most powerful manifestation principle' that no one is talking about. When you combine this principle with your practice of the Law of Attraction, you enter the realm of miracles where your desires can and MUST necessarily manifest into existence. This is the first book that removes the blindfold from the world's current understanding of the Law of Attraction -- and reveals the true power behind it so that people can finally experience spectacular and consistent results from it. Now, you can make the manifestation of your desires a certainty, instead of something merely hoped for.

Just Ask the Universe is not a book of New Age gobbledegook filled with empty promises. Angels won't fly from above and touch you while you're reading. You will not be asked to practice unusual or tedious rituals. There will be no preaching or sage advice and there will most certainly be no channeling of your inner chakras or dressing like Friar Tuck. Just Ask the Universe is a realistic guide to personal development. By creating a blueprint for self-growth and commanding your subconscious mind, the Universe will manifest all your dreams. For over two decades, Michael Samuels has studied and methodically tested hundreds of books on self-improvement, spirituality, and the metaphysical. Just Ask the Universe accumulates the wisdom from 'thought teachers' like: Wallace Wattles, Anthony Robbins, Rhonda Byrne, Joseph Murphy, Robert Collier, and Napoleon Hill, and compiles it under one unified lesson: if your thoughts are clear and in harmony with your mind and the truth of your surroundings, your life can be filled with all the richness the Universe has to offer. As a culmination from these teachings, Michael will show you how to use simple and fun techniques to create a more desirable future. This approach, coupled with real-life stories, will teach you how to achieve personal power to overcome any barrier. Regardless of what your present circumstances might be, by following the principles in this book, you will be able to gain power over your destiny. The Universe is listening. All you have to do is just ask.

Why Celebrities Swear by These 15 Powerful Techniques As The Secret to Anything You Want in Life Do you easily complain or start nagging whenever something isn't going your way? Do you give fault and make others responsible for your misery? Are you annoyed looking around seeing others having exactly what you want in life? Believe it or not, you are the driver of your own life and no one else can steal your seat... If you don't let them, What if there were straight-forward, easy principles to get everything you want in life? Maybe you already manifest regularly or you've heard of it, but never consciously tried it. Using manifestation means using the power of your thoughts, feelings, or beliefs to bring something into your physical reality. At first, it sounds abstract, but science has proven, everything is made of energy objects, animals, thoughts, and humans. There are laws that control how this energy flows and where it goes just as there are laws of gravity and laws of growth. The more you know about these laws the easier it is to navigate the energy you need in the right direction. No wonder that even stars like Will Smith, Jim Carrey, Oprah Winfrey, and Lady Gaga swear by manifestation as the secret to their success. Jim Carrey makes it sound really simple. He says: "As far as I can tell, it's just about letting the universe know what you want and then working towards it while letting go of how it comes to pass." Yet, there are reasons why some people are better at manifesting than others. There are a couple of fundamentals you need to understand in order to apply manifestation effectively. With a little guidance and the right techniques, your best life is waiting for you. This is only a select sample of what you'll discover in 'The Magic of Manifesting Fly or Fab: Why you should care about manifestation more than you think The scientific secret behind changing your reality Why you might be manifesting your misery and how to avoid these common mistakes The smartest and most powerful way to attract anything you want in life How scientists manipulate your life with one particular weakness that outweighs all of science's strengths Is everything connected? Essentials about energy, flow, and connection Why your ego is the enemy and what you can do about it 15 techniques to guarantee your manifestation success story The #1 mental exercise Olympians and star athletes practice daily to increase their performance Intention vs. goals! The major difference and which is best to achieve success in life The biggest money lie revealed and how to create true abundance Warning Signs that you have a scarcity mindset and how to get rid of it And much more. If you think "manifesting" is just another 2021 buzzword, then you haven't heard the success stories of millions of people who made their dreams come true with this one powerful tool.
