The Heart of Change is your guide to helping people think and feel differently in order to meet your shared goals. According to bestselling author and renowned leadership expert John Kotter and coauthor Dan Cohen, this focus on connecting with people's emotions is what will spark the behavior change and actions that lead to success.

The Heart of Change is John Kotter's follow-up to his enormously popular first book, *Leading Change*, in which he outlined a framework for implementing change that sidesteps many of the pitfalls common to organisations looking to turn themselves around. The essence of Kotter's message is this: the reason so many change initiatives fail is because they rely too much on 'data gathering, analysis, report writing, and presentations' instead of a more creative approach aimed at grabbing the ...
