hope and meaning that can sometimes be found in the aftermath of loss. Praise for *The Shadow Land* “A compelling and complex mystery, strong storytelling, and lyrical writing combine for an engrossing read.”—Publishers Weekly “In *The Shadow Land*, Elizabeth Kostova, a master storyteller, brings vividly to life an unfamiliar country—Bulgaria—and a painful history that feels particularly relevant now. You won’t want to put down this remarkable book.”—Claire Messud, author of *The Woman Upstairs* “In this brilliant work, what appears at first a minor mystery quickly becomes emblematic of a whole country’s hidden history. Lyrical and compelling, *The Shadow Land* proves a profound meditation on how evil is inflicted, endured, and, through courage and compassion, defeated. Elizabeth Kostova’s third novel clearly establishes her as one of America’s finest writers.”—Ron Rash, author of *The Risen*

Psychiatrist Andrew Marlow, devoted to his profession and the painting hobby he loves, has a solitary but ordered life. When renowned painter Robert Oliver attacks a canvas in the National Gallery of Art and becomes his patient, Marlow finds that order destroyed. Kostova's masterful new novel travels from American cities to the coast of Normandy, from the late 19th century to the late 20th, from young love to last love. *The Swan Theives* is a story of obsession, history's losses, and the power of art to preserve human hope.

Having discovered the double identity of the wealthy Transylvanian nobleman, Count Dracula, a small group of people vow to rid the world of the evil vampire.

Explosive in both its pace and its revelations, *The Third Secret* is a remarkable international thriller. Bestselling author Steve Berry tackles some of the most controversial ideas of our time in a breakneck journey through the history of the Church and the future of religion. Fatima, Portugal, 1917: The Virgin Mary appears to three peasant children, sharing with them three secrets, two of which are soon revealed to the world. The third secret is sealed away in the Vatican, read only by popes, and not disclosed until the year 2000. When revealed, its quizzical tone and anticlimactic nature leave many faithful wondering if the Church has truly unveiled all of the Virgin Mary's words—or if a message far more important has been left in the shadows. Vatican City, present day: Papal secretary Father Colin Michener is concerned for the Pope. Night after restless night, Pope Clement XV enters the Vatican's Riserva, the special archive open only to popes, where the Church's most clandestine and controversial documents are stored. Though unsure of the details, Michener knows that the Pope's distress stems from the revelations of Fatima. Equally concerned, but not out of any sense of compassion, is Alberto Cardinal Valendra, the Vatican's Secretary of State. Valendra desperately covets the papacy, having narrowly lost out to Clement at the last conclave. Now the Pope's interest in Fatima threatens to uncover a shocking ancient truth that Valendra has kept to himself for many years. When Pope Clement sends Michener to the Romanian highlands, then to a Bosnian holy site, in search of a priest—possibly one of the last people on Earth who knows Mary's true message—a perilous set of events unfolds. Michener finds himself embroiled in murder, suspicion, suicide, deceit, and his forbidden passion for a beloved woman. In a desperate search for answers, he travels to Pope Clement's birthplace in Germany, where he learns that the third secret of Fatima may dictate the very fate of the Church—a fate now lying in Michener's own hands. **BONUS:** This edition contains an excerpt from Steve Berry's *The Columbus Affair*.
