~~The History Of Swansea From~~

The history of Swansea in South Wales covers a period of continuous occupation stretching back a thousand years, while there is archaeological evidence of prehistoric human occupation of the surrounding area for thousands of years before that. Swansea – occupying a position at the mouth of the River Tawe and adjacent to an extensive bay at the western end of the Bristol Channel – was the main town of its region for much of the Mediaeval period. In the 18th century, local dignitaries ...

The town of Swansea was founded in the early 12th century when the Normans conquered the area. The Norman lord built a wooden castle on the site of Worcester Place. (It was rebuilt in stone in the early 13th century). A town soon grew up by the castle. The garrison of Swansea castle provided a market for the townspeople's goods.
