When we think about our salvation in most cases, we will focus on God's gracious and undeserved goodness toward us. Though salvation flows from the grace of God, thereby making it free to all who put their trust in Jesus, free does not mean that our salvation is

Get Free The Supreme Gift Kindle Edition Henry Drummond

cheap or without great cost to God Himself. This book, *The High Cost of a Free Gift*, takes a very Christocentric look at the gracious provision of salvation. This book focuses on all that it cost our Savior in order that He might be our perfect and eternal sacrifice for sin. By looking at the Christology of our salvation, this book encourages a greater appreciation for all that the Son of God endured in order that we might be saved. From His preincarnate glory to His descent into the grave, our Savior paid a high price in order that we might receive the free gift of salvation. This book will trace the downward stage in the works of Jesus Christ from His glory to the grave referred to as His humiliation. We will take a deeper look at the following topics: - "Jesus's Glorious Preincarnate Existence" - "The Meaning and Necessity of His Humiliation" - "The Virgin Birth and Incarnation of Jesus" - "Kenosis: The Self-Emptying of Jesus" - "His Temptations and Rejections" - "His Illegal Trials" - His Sacrificial Atoning Death" - "His Burial and Descent to Hades" - "The Implications of His Humiliation"

Ultimately, from this reading, we learn that the Son of God's love for man was so deep that He willingly laid aside His glory in order to endure a level of humiliation that was so great that only God wrapped in humanity could endure it. Our greater appreciation for the high cost that Jesus paid to save us should cause us, as believers, to appreciate, admire, and adore Him all the more and greatly value the free gift to which He paid such a high cost.

An expert of the psychology of shame presents advice on how to overcome paralyzing fears and self-consciousness, and at the same time increase feelings of self-worth, gratitude, and acceptance.

Ultimate Bar Book is the first and only guide to classic and new drink recipes. Loaded with essential-to-know topics such as barware, tools, and mixing tips, this book has it all. As a mistress of mixology, the author has the classics down to a T the Martini, the Bloody Mary, plus the many variations (the Dirty Martini, the

Get Free The Supreme Gift Kindle Edition Henry Drummond

Virgin Mary). And then there are all the creative new elixirs the author brings to the table, like the Tasmanian Twister Cocktail or the Citron Sparkler. Illustrations show precisely what type of glass should be used for each drink. With dozens of recipes for garnishes, rims, infusions, and syrups; punches, gelatin shooters, hot drinks, and non-alcoholic beverages; and let's not forget an essential selection of hangover remedies, *Ultimate Bar Book* is nothing short of top-shelf.

One April in Boston is the story of a real American family and a gift that was passed down from generation to generation. It teaches American history, the power of imagination, and the value of goal setting. In this unique book you will learn the real story of Paul Revere's midnight ride; witness the first shots of the American Revolution; attend the reading of the Declaration of Independence in Boston on July 18, 1776; visit the Paul Revere House in 1909; and much more. After researching his Boston ancestors for six years, author Ben Edwards has crafted a tale that not only tells their story by tying in real connections to Paul Revere and Abraham Lincoln, but honors his relative Private Philip Edwards by revealing the gift he gave to the neighborhood children before leaving for France to fight in World War I and passing into legend. When the story begins in April 1775, 10-year-old Ben Edwards carries a spyglass that once belonged to his grandfather, an early Boston sea captain. Ben believes he can glimpse the future through its lens. His goal is to work on a sailing ship and see the world. Can the spyglass and a member of the Sons of Liberty help Ben on his journey? Will his predictions about the future come true? By reading the book you'll discover that Ben's gift is something we all possess, a power that can help you on your own life's journey—if you believe in it.

Abdul Basit's fascinating account of India Pakistan relations is based largely on his tenure in India as Pakistan High Commissioner from March 2014 to August 2017; the "ups and downs that

Get Free The Supreme Gift Kindle Edition Henry Drummond

generated hopes and created stalemates; how the two sides dealt with them; why and how the bilateral relationship reached the present troublesome phase; whether there is any possibility that the two would ever be able to become normal neighbours", as he writes. Basil's important book sheds light on questions of diplomacy and state interests that are as pertinent as ever.

Feeling different, especially as a kid, can be tough. But in the same way that different types of plants and flowers make a garden more beautiful and enjoyable, different types of people make our world more vibrant and wonderful. In *Just Ask*, United States Supreme Court Justice Sonia Sotomayor celebrates the different abilities kids (and people of all ages) have. Using her own experience as a child who was diagnosed with diabetes, Justice Sotomayor writes about children with all sorts of challenges--and looks at the special powers those kids have as well. As the kids work together to build a community garden, asking questions of each other along the way, this book encourages readers to do the same- When we come across someone who is different from us but we're not sure why, all we have to do is *Just Ask*.

The president of Silicon Valley's Intel Corporation sets forth the three basic ideas of his management philosophy and details numerous specific techniques to increase productivity in the manager's work and that of his colleagues and subordinates

In the Classroom Edition of *The Martian*: Classroom-appropriate language Discussion questions and activities Q&A with Andy Weir Six days ago, astronaut Mark Watney became one of the first people to walk on Mars. Now, he's sure he'll be the first person to die there. After a dust storm nearly kills him and forces his crew to evacuate while thinking him dead, Mark finds himself stranded and completely alone with no way to even signal Earth that he's alive--and even if he could get word out, his supplies would be gone

Get Free The Supreme Gift Kindle Edition Henry Drummond

long before a rescue could arrive. Chances are, though, he won't have time to starve to death. The damaged machinery, unforgiving environment, or plain-old "human error" are much more likely to kill him first. But Mark isn't ready to give up yet. Drawing on his ingenuity, his engineering skills--and a relentless, dogged refusal to quit--he steadfastly confronts one seemingly insurmountable obstacle after the next. Will his resourcefulness be enough to overcome the impossible odds against him?

The complete Divine Comedy (Inferno, Purgatorio, Paradiso) in one volume from Vintage Classics. The greatest poem of the Middle Ages, in the standard Carlyle-Okey-Wickstead translation, with full notes. Dante's Divine Comedy relates the allegorical tale of the poet's journey through the three realms of the dead. Accompanied through the Inferno and Purgatory by Virgil—author of the Roman epic the Aeniad—Dante encounters mythical, historical, and contemporaneous figures in their respective afterlives. Relying on classical (pagan) mythology and Christian imagery and theology, Dante imagines diverse vivid and inventive punishments for the various sinners he encounters, which have become part of the Western imagination. Upon their approach to Paradise, which as a pagan, no matter how worthy, the Latin poet cannot enter, Virgil relinquishes his role as guide to Beatrice. Dante's chaste beloved then accompanies him along the ascent, as they encounter the blessed and the holy, and Dante arrives at a vision of the heavenly paradise.
