In the medieval heart of Budapest, Captain Tucker Wayne and his war dog, Kane, rescue a mysterious woman fleeing three armed men. The secret she holds will unlock a terrible treasure, one steeped in blood and treachery, tied to a crime going back to the fall of Nazi Germany, and a heritage of suffering and pain that reaches out from the past to wreak havoc in the present. In a final showdown in the depths of a lost cemetery, truths will be unearthed, secrets exposed, and the fate of all will rest upon the shoulders of one man and a dog whose courage is beyond measure. Featuring an extract from BLOODLINE.

“Gripping...a first-rate nail biter.” –Tampa Tribune James Rollins—the author of The Doomsday Key, The Last Oracle, The Judas Strain, Black Order, and other pulse-pounding, New York Times bestsellers—carries readers into the heart of darkness in his classic thriller, Amazonia. Lincoln Child, New York Times bestselling co-author (with Douglas Preston) of Cemetery Dance and other Agent Pendergast thrillers, raves, “Amazonia grabs you by the throat and refuses to let go until the very last page is turned.”

Experience the exciting breadth of #1 New York Times bestselling author James Rollins’s wild imagination and adventurous spirit in this anthology of his short masterworks, including a new full-length novella featuring Captain Tucker Wayne and his military war dog, Kane, as well as eleven previously published short stories, gathered together for the first time. In this breathtaking collection of short fiction, his first ever anthology, James Rollins brings together twelve thrilling stories that dig a little deeper into his creative stomping grounds and open vistas into new landscapes and characters. At the center of Unrestricted Access is the never-before-published novella "Sun Dogs." While trekking through the Sonora desert, a gunshot thrusts Tucker and Kane into an adventure that challenges their considerable skills. The discovery of secrets known only to the native tribes of Arizona threatens to unleash an ancient force that could irreparably alter the future. It also forces Tucker to make a terrible choice that will shatter his relationship with his soul-bonded companion Kane. As these partners learn, nothing remains buried forever and old debts must be paid, no matter the cost. Other stories—each with an introduction by James Rollins—are just as compelling, offering broader insight into this acclaimed master’s fictional universes, including: “The Pit”: a young dog is kidnapped and brutalized into becoming the bloody champion of a dog-fighting ring. But can this tortured monster find redemption and a path back to the boy who first raised him with love and compassion? “Tagger”: A pair of teenage street artists must protect San Francisco from a demon who has been seeking revenge for centuries. “The Devil’s Bones”: In this jungle adventure—the first joint story from Rollins and Steve Berry—Commander Gray Pierce and Cotton Malone must work together using their unique skills to survive a deadly threat. The stories “The Midnight Watch,” “The Skeleton Key,” “Tracker,” and “Kowalski's in Love” shine light into some of Sigma Force’s secrets. Who were these characters before they were recruited by Sigma? What solo adventures did they experience? How do these short adventures tie into the larger Sigma universe? Rollins offers some clues. And rounding out this collection are a pair of entertaining stories “Blood Brothers” and “City of Screams” that complement The Order of the Sanguines series. Filled with adventure, intrigue, history, and speculative science, Unrestricted Access demonstrates Rollins’s remarkable creative powers and is a must-have collection for his many fans.

From bestselling authors James Rollins and Grant Blackwood, the first installment in an exciting new thriller series based on the Sigma Force novels featuring former Army Ranger Tucker Wayne and his partner, Army working dog Kane, introduced in the New York Times bestseller Bloodline and the e-original story "Tracker." Former Army Ranger Tucker Wayne and his military working dog Kane are recruited by Sigma Force to extract a Russian pharmaceutical magnate from Siberia. A scientific genius, the drug tycoon holds the biological key to a new weapon system, a danger engineered from the ancient past to terrorize the modern world. From the frozen steppes of Russia to the sun-blasted savannahs of Africa, Tucker and Kane must piece together a mystery going back to the origins of life on Earth—before the ancient peril can destroy the heartland of America, and with it, all of humankind.

From New York Times bestselling author James Rollins comes a lightning-paced short story, in which a major attack on U.S. soil can only be stopped by...The Midnight Watch In the dead of night, a faceless enemy hacks into the Smithsonian Institution’s network of servers, but it is only the first strike masking a larger attack. To rescue a biologist trapped in the National Museum of Natural History and to discover the true intent behind an assault that grows bolder and bloodier by the minute, Sigma Force must unleash its most headstrong operative—Joe Kowalski—to do what he does best: lay waste to anything between him and his goal. From a daring rescue to a cross-city chase like no other, Kowalski will discover the shocking truth hidden in the most unexpected of places: the heart of the National Zoo. Included with this short story is a sneak peek at The Bone Labyrinth, where events that unfold here explode into one of Sigma Force’s greatest adventures of all time.

From New York Times bestselling author James Rollins comes a thrilling short story that delves deep beneath the city of Paris to a dark necropolis, where the only means for escape is...The Skeleton Key. Seichan is ripped out of the Sigma series for an adventure all her own—but can she survive? The beautiful and elusive assassin wakes in a hotel in Paris with a deadly electronic collar fastened to her throat. Joined by a boy who is similarly threatened, she must rescue the son of a hated enemy, who has fallen under the sway of the nefarious leader of an apocalyptic cult. To survive, she must venture into the dark world beneath the City of Lights, into the infamous catacombs of Paris. Caught between two enemies, she must fight for her life...while time ticks down toward a fiery apocalypse. But in the dark, surrounded by the moldering bones of the dead, even success does not equal survival. In the end, the only true hope for the world lies in a stunning act of betrayal. Included with this short story is a sneak peek at the first 70 pages of The Devil Colony, where a clue unlocked by The Skeleton Key will play a key role.

An inexplicable explosion rocks the antiquities collection of a London museum, setting off alarms in clandestine organizations around the world. And now the search for answers is leading Lady Kara Kensington; her friend Safia al-Maaz, the gallery’s brilliant and beautiful curator; and their guide, the international adventurer Omaha Dunn, into a world they never dreamed existed: a lost city buried beneath the Arabian desert. But others are being drawn there as well, some with dark and sinister purposes. And the many perils of a death-defying trek deep into the savage heart of the Arabian Peninsula pale before the nightmare waiting to be unearthed at journey’s end: an ageless and awesome power that could create a utopia...or destroy everything humankind has built over countless millennia.

"[Seize the high ground is a] narrative history of the Army's aerospace experience from the 1950s to the present. The focus is on ballistic missile defense, from the early NIKE-HERCULES missile program through the SAFEGUARD acquisition site allowed by the 1972 ABM Treaty to the more advanced 'Star Wars' concepts studies toward the end of the century. [What is] covered is not only the technological response to the threat but the organizational and tactical development of the commands and units responsible for the defense mission"—CMH website.

From the depths of the Indian Ocean, a horrific plague has arisen to devastate humankind—unknown, unstoppable . . . and merely a harbinger of the doom that is to follow. Operatives of the shadowy covert organization Sigma Force, Dr. Lisa Cummings and Monk Kokkalis search for answers to the bizarre affliction aboard a cruise liner transformed into a makeshift hospital. But a sudden and savage attack by terrorist hijackers turns the mercy ship into a floating bio-weapons lab. Time is an enemy as a worldwide pandemic grows rapidly out of control. As the seconds tick closer to doomsday, Sigma's commander, Gray Pierce, must join forces with the beautiful assassin who tried to kill him—following the trail of the most fabled explorer in history into the terrifying heart of an astonishing mystery buried deep in antiquity and in humanity’s genetic code.

During a crowded service at a cathedral in Germany, armed intruders in monks' robes unleash a nightmare of blood and destruction. But the killers have not come for gold; they seek a more valuable prize: the bones of the Magi who once paid homage to a newborn savior . . . a treasure that could reshape the world. With the Vatican in turmoil, SIGMA Force leaps into action. An elite team of scientific and Special Forces operatives under the command of Grayson Pierce and accompanied by Lieutenant Rachel Verona of Rome's carabinieri, they are pursuing a deadly mystery that weaves through sites of the Seven Wonders of the World and ends at the doorstep of an ancient, mystical, and terrifying secret order. For there are those with dark plans for the stolen sacred remains that will alter the future of humankind . . . when science and religion unite to unleash a horror not seen since the beginning of time.
