Immediately. The worker obtains the necessary medical treatment and notifies his/her supervisor about the accident and how it occurred. The employee notifies the employer of the accident in writing, as soon as possible, but within 30 days.

Understanding the Claims Process

The typical auto insurance claim follows a 5-step process: First-Notice-of-Loss (FNOL): Following the loss event, details on the claim are collected and the claim is assigned to the appropriate claims adjuster. Some simple claims (e.g., auto glass repairs) can be settled during this process. Appraisal: An initial assessment of the damage is conducted. Claims involving bodily injury or a total loss may be handled differently.
