We've all heard that happiness comes from within, but we don't quite know how to access it. So, we keep looking for it outside of ourselves in material possessions or validation from others. Sure, we get those temporary quick fixes, but not the everlasting happiness we are all yearning for. In this book, Bonnie Moehle shares with you her personal discovery of the source of everlasting happiness, and how to go inside and get it. "Bravo to Bonnie Moehle for her second runaway success! This important book helps us all get to the root of happiness and how to have more of it in our life. The best part is, you know from the very beginning that you are not alone on this journey. Bonnie lovingly holds your hand through every page. So get ready to put a big smile on your face and open the floodgates to the many magical moments awaiting you. I highly recommend this book." - Bronwyn Marmo, Award-winning and bestselling author of *The Food Is A Lie: The Truth Is Within*.

thunderstorms. But then Lily grew up. She started making friends and dating boys, while Jane wanted to go on playing make believe forever. For Jane, the line between fantasy and reality had always blurred, whereas Lily lived for a future bright with expectation and change. Inevitably, the sisters found a gulf widening between them-Lily reveling in her newfound love, while Jane could only watch, frustrated, from the sidelines. How had her little sister managed to eclipse her? Then tragedy struck. But the story was not over. . . . Adele Griffin has crafted a spellbinding book, told in the alternating voices of two very different sisters dwelling on opposite sides of life and death, who are bravely trying to overcome the void and bring light to each other.

When Susan and her mother become homeless, she tries to keep it a secret from the whole third grade, especially her best friend Ellen.

Haunted by the disappearance of his mother when he was eight years old, detective Hud Matthews begins his own investigation to find out what really happened so many years before. When a rare murder occurs in the lakeside community, Hud's veteran skills are called upon to capture the killer. Pulled deep into the threads of the community with ties to the past, Hud quickly becomes a target, not only of the killer, but of those who wish the past to be left alone. As Hud gets closer to discovering the truth about the crimes, he has to face a choice of enforcing the law, or stepping outside of it to make sure that his version of justice is served.
