Steffen makes regular speaking appearances at multinational corporations like Nike, Yahoo!, and Amazon.

Worldchanging: A User's Guide for the 21st Century: Amazon ...

Worldchanging: A User's Guide for the 21st Century is a book about environmental concerns and practical actual responses. It is a compendium of the solutions, ideas and inventions emerging today for building a sustainable, livable, prosperous future. In November 2006, Worldchanging published a survey of global innovation, with a foreword by Al Gore, design by Stefan Sagmeister and an introduction by Bruce Sterling. It has received praise, was a winner of the "Green Prize" for sustainability lite

Worldchanging (book) - Wikipedia

Worldchanging, Revised Edition: A User's Guide for the 21st Century was issued in 2011 as a revision with updated technological material, relating to sustainable living, including some 160 new entries relating to food security, sustainable transport, carbon neutrality, ecotourism and updated information on the emerging local food movement. Again, it rated well with the general public but, by the time of publication, Worldchanging had ceased operations and the book received virtually no ...
