When I started writing, one of the first things I began looking for were coaches who could help me along the way. Finding the right writing coaches can make all the difference in our work. As I was working on my first novel, I started emailing authors and publishers I thought would make great writing coaches.

2. Get all matchy-matchy. It's reasonable to seek out a writing coach who's got deep experience in your specific arena, such as food writing, travel writing, memoir writing, etc. Each of these areas has special conventions and nuances, and, realistically, few writing coaches can appropriately cover every single type of writing.
