Zona is the rare book that respects the mystery of a film without feeling obliged to dismantle it. Evening Standard. Few books about film feel like watching a film, but this one does. We sit with Dyer as he writes about Stalker: he captures its mystery and burnish, he prizes it open and gets its glum majesty. As a result of this book, I know the film better, and care about Tarkovsky even more.

By default, the "Gutter" margin will be set to 0. This could cause issues further on, as the gutter margin is the amount of space between the content of your book and the fold where the pages of the book will be bound together. That said, go ahead and give the gutter a 1" margin, so the content of your book doesn't get lost in the fold.
